## **DECISION**

### **SCALE OF ASSESSMENTS FOR 2022**

**The Conference of the States Parties,**

**Recalling** that paragraph 7 of Article VIII of the Chemical Weapons Convention (hereinafter “the Convention”) and Regulation 5.1 of the Financial Regulations and Rules of the OPCW require that annual contributions to meet the costs of the OPCW’s activities be paid by States Parties in accordance with the United Nations scale of assessments, adjusted to take into account differences in membership between the United Nations and the OPCW;

**Recalling also** that subparagraph 21(b) of Article VIII of the Convention and Regulation 3.7 of the Financial Regulations and Rules of the OPCW stipulate that the Conference of the States Parties shall decide on the scale of financial contributions to be paid by States Parties;

**Bearing in mind** that its draft decision on the Draft OPCW Programme and Budget for 2022–2023 (C-26/DEC/CRP.5, dated 20 October 2021) calls for assessed annual contributions by States Parties totalling EUR 68,422,163;

**Recalling further** that, according to Financial Regulation 5.4, assessed annual contributions to the OPCW Programme and Budget shall be due and payable in full within 30 days of the receipt of communications from the Director-General informing the States Parties of their commitments, or on the first day of the financial period to which the communications relate, whichever is later;

**Bearing in mind also** that the United Nations General Assembly established a scale of assessments for 2019 to 2021 at its seventy-third session (A/RES/73/271, dated 4 January 2019), and that it is expected to determine a new scale of assessments for 2022 by the end of 2021 or early 2022; and

**Affirming** that it is crucial to the funding of OPCW activities for 2022 that the Technical Secretariat receive assessed annual contributions early in that new financial year;

**Hereby:**

1. **Adopts** a scale of assessments for annual contributions to the OPCW Programme and Budget for 2022 that shall be adjusted to take into account differences in membership between the United Nations and the OPCW and shall be based on:
  - (a) the United Nations scale of assessments for 2022, if the General Assembly determines the United Nations scale of assessments for 2022 by the end of 2021; or

- (b) the United Nations scale of assessments for 2021, if the General Assembly does not determine the United Nations scale of assessments for 2022 by the end of 2021; and
2. **Calls upon** all States Parties to pay their assessed annual contributions for 2022, in full and on time, in accordance with Regulation 5.4 of the Financial Regulations and Rules of the OPCW.
