Early submission of such reports is strongly encouraged.
9. Participants are required to contact the OPCW Laboratory by email (proficiency@opcw.org) before the sample dispatch date to confirm their contact details for the test sample delivery.
10. Participants are also requested to arrange internal customs clearance procedures for the samples in order to prevent any unnecessary delays during the sample delivery process.
11. The meeting to discuss the preliminary results of the test is tentatively scheduled for 1 February 2024 at the Centre for Chemistry and Technology in Nootdorp, the Netherlands.
