

NOTE BY THE TECHNICAL SECRETARIAT

**CALL FOR NOMINATIONS FOR
THE TWENTY-SEVENTH ANNUAL MEETING OF NATIONAL AUTHORITIES
THE HAGUE, THE NETHERLANDS
19 – 21 NOVEMBER 2025**

1. The Technical Secretariat of the OPCW (the Secretariat) wishes to invite National Authorities to submit nominations for the Twenty-Seventh Annual Meeting of National Authorities, which will be held at the OPCW Main Building in The Hague, the Netherlands, from 19 to 21 November 2025.
2. The annual meeting of National Authorities serves as an interactive communication and cooperation platform among National Authorities, and between them and the OPCW. Furthermore, it is intended to promote regional networks in support of the implementation of the Chemical Weapons Convention (the Convention) and to enhance regional aspects of international cooperation and assistance activities.
3. The objectives of the annual meeting are to:
 - (a) provide a forum for National Authorities to highlight and work through relevant issues in order to enhance their capacity to comply with their obligations under the Convention;
 - (b) provide an occasion for the Secretariat and States Parties to interact and discuss ways to effectively provide capacity-development support by assessing needs, sharing good practices, and improving national programmatic design activities; and
 - (c) promote cooperation between and among National Authorities in order to further the implementation of the Convention at the national and regional levels.
4. The meeting is expected to facilitate the achievement of the following outcomes:
 - (a) a renewed commitment to strengthen cooperation and increase interaction between and among the Secretariat and States Parties and all other stakeholders, thereby producing increased and improved engagements at different levels, including bilateral technical assistance arrangements; and
 - (b) the generation of recommendations from participants relating to fulfilling national obligations under the Convention and strengthening relations between the Secretariat and States Parties.

5. During the meeting, information on progress and developments in capacity-building support offered by the Secretariat will be shared with National Authorities, specifically in relation to Articles VI, VII, X, and XI of the Convention. In addition, there will be updates on science- and policy-related issues.
6. This annual meeting aims to facilitate in-depth discussions on developing advocacy tools, strengthening engagement among National Authorities and other relevant stakeholders, and advancing chemical security legislation, including by fostering national capacities for its enforcement. The focus will be on effectively implementing the Convention, while also exploring synergies with other international treaty regimes and national legal and law enforcement frameworks. National Authorities will also have an opportunity to meet with their respective regional groups, share their progress in implementing the Convention, discuss needs for capacity development and technical support, and identify approaches that address current or future challenges. The provisional programme for the meeting is attached as the Annex to this Note.
7. Bilateral consultations can be held at the dates and times indicated in the provisional programme. National Authorities interested in such consultations should inform the Secretariat in advance, specifying who they wish to meet and the issues they wish to discuss.
8. During the plenary sessions of the meeting, interpretation services will be provided in all the official languages of the OPCW. French and Spanish interpretation services will be available during discussions between the African and the Latin American and Caribbean regional groups. No interpretation services will be available for bilateral meetings.
9. National Authorities are invited to nominate representatives who are directly involved in the implementation of the Convention, particularly in their day-to-day activities. The Secretariat expects to be able to sponsor a limited number of representatives of National Authorities, with **only one sponsorship slot per requesting National Authority**. National Authorities are strongly encouraged to seek, support, and endorse applications from qualified women candidates.
10. Participants are requested to obtain any necessary visas (including transit visas) before travelling to the Netherlands. Participants requiring an entry visa for the Netherlands are advised to contact the nearest diplomatic mission of the Netherlands as soon as possible. Participants needing further assistance may contact the Visa Section of the Secretariat (visa@opcw.org).
11. National Authorities are invited to submit their applications online through Eventus, the OPCW event management system (<https://eventus.opcw.org/>), no later than **Friday, 29 August 2025**. These applications must be reviewed and endorsed electronically through Eventus by the respective National Authorities, to be followed by final review and approval by the Secretariat.
12. Additional information about the meeting may be obtained from the Implementation Support Branch of the International Cooperation and Assistance Division. The contact persons are Mr Rene Betancourt (rene.betancourt@opcw.org), Ms Olukemi Adenuga (olukemi.adenuga@opcw.org), Mr Victor Barros Correia (victor.barros-correia@opcw.org), and Mr Alberto Fernandez (alberto.fernandez@opcw.org).
