

Amendment 2 to Annex C - Scope of Requirements

Dated 15 January 2014

Page 4, II.A.3.c

For “After the unloading by the Contractor of the containers/drums containing the chemicals at the facility, the Contractor shall return the maritime shipping containers to the supplier (to be further specified) at the Contractor’s cost.”,

Read “After the unloading by the Contractor of the containers/drums containing the chemicals at the disposal facility, the Contractor may keep the maritime shipping containers.”.
