РЕШЕНИЕ

**ФОРМАТ ПОМОЩИ ДЛЯ ПОДГОТОВКИ, КОНКРЕТИЗАЦИИ
ИЛИ ОБНОВЛЕНИЯ ПРЕДЛОЖЕНИЙ О ПОМОЩИ
СОГЛАСНО ПОДПУНКТУ 7 С) СТАТЬИ X**

Конференция государств-участников,

напоминая, что Первая специальная сессия Конференции государств-участников по рассмотрению действия Конвенции о химическом оружии (далее "Первая конференция по рассмотрению действия Конвенции") подтвердила сохраняющуюся актуальность и важность положений статьи X Конвенции о химическом оружии (далее "Конвенция") и сделала вывод о том, что эти положения стали еще более актуальными в современном контексте обеспечения безопасности (пункт 7.92 документа RC-1/5 от 9 мая 2003 года),

напоминая, что на своей девятой сессии она включила "помощь и защиту от химического оружия, его применения или угрозы применения в соответствии с положениями статьи X Конвенции" в число основных целей в программе и бюджете на 2005 год (документ C-9/DEC.14 от 2 декабря 2004 года),

напоминая также, что, согласно подпункту 7 с) статьи X Конвенции, каждое государство-участник может во исполнение своего обязательства по предоставлению помощи ОЗХО в соответствии с пунктом 7 объявить не позднее чем через 180 дней после вступления для него в силу Конвенции, какого рода помощь оно могло бы предоставить по призыву ОЗХО,

напоминая далее, что Первая конференция по рассмотрению действия Конвенции отметила "необходимость того, чтобы Секретариат проводил оценку предложений о предоставлении помощи, сделанных в соответствии с подпунктом 7 с) статьи X, в целях выявления пробелов, дублирования и несоответствий и содействия сведению к минимуму потребностей в ресурсах для ОЗХО" (пункт 7.98 документа RC-1/5),

напоминая далее, что на своей сорок первой сессии Исполнительный совет (далее "Совет") отметил важность полного осуществления статьи X,

отмечая с обеспокоенностью, что по состоянию на 31 октября 2005 года только 64 государства-участника выполнили требование согласно пункту 7 статьи X относительно избрания одной или более из мер, указанных в этом пункте, для предоставления помощи через ОЗХО,

рассмотрев руководство, содержащееся в формате помощи, прилагаемом к настоящему документу, и

отмечая рекомендацию Совета по этому вопросу (документ ЕС-М-25/DEC.1 от 9 ноября 2005 года),

настоящим

1. **настоятельно призывает** государства-участники, которые еще не сделали этого, избрать одну или более из мер помощи согласно пункту 7 статьи X Конвенции,
2. **рекомендует** формат помощи, прилагаемый к настоящему документу, в качестве руководства для представления информации о том, какого рода помощь предлагается в соответствии с подпунктом 7 с) статьи X, при том понимании, что:
 - a) использование формата помощи является добровольным делом и не ущемляет права государств-участников представлять такую информацию в ином формате или предоставлять другую помощь;
 - b) государства-участники имеют право выполнить свое обязательство, избрав другие меры согласно пункту 7 статьи X, такие как взносы в Добровольный фонд помощи и заключение соглашений с ОЗХО относительно предоставления помощи; и
 - c) Технический секретариат (далее "Секретариат") присвоит представленной информации уровень классификации, запрошенный государством-участником;
3. **призывает** Секретариат оказывать государствам-участникам по их просьбе содействие в представлении их предложений о помощи согласно подпункту 7 с) статьи X; и
4. **просит** Секретариат регулярно представлять Исполнительному совету доклады о ходе осуществления статьи X.
