9.155(i)	Requested the Director-General to keep in view developments in science and technology when identifying the future training needs of the Secretariat	Cluster III	Secretariat to continue to take action; The Scientific Advisory Board held workshops on emerging technologies (SAB-26/WP.1) and trends in chemical production (SAB-26/WP.2); findings of both workshops were presented to States Parties during Science for Diplomats Side Events. SAB is regularly briefed by Secretariat with updates on needs and training. SAB-21/1; SAB-22/1; SAB-23/1; SAB-24/1; SAB-25/1*; SAB-26/1 and Corr. 1.	Para 9.145 of RC-2/4
9.155(k)	Encouraged the Secretariat to continue its efforts to be more compact, flexible, and efficient, optimising its use of human and financial resources while ensuring that sufficient resources are available to support the effective implementation of the Convention, and to keep the Council regularly informed of progress via the annual Budget process	Cluster III (budget facilitation)	Secretariat to continue to take action; C-22/DEC.5.	Para 9.143 of RC-2/4 (EC-87/INF.xx, Section III.1 of Annex 1)
9.155(l)	Encouraged the Secretariat to continue to improve the effectiveness and efficiency of its work	Cluster III	Secretariat to continue to take action; EC-86/DG.16, dated 6 September 2017.	
9.155(n)	Encouraged the Secretariat and the States Parties to improve interaction with the chemical industry, the scientific community, academia, and civil society organisations engaged in issues relevant to the Convention, and encouraged the Secretariat and States Parties to develop a more open approach, in conformity with the Rules of Procedure of the policy-making organs with regard to such interaction	Cluster III	Secretariat to continue to take action; States Parties to take action; Secretariat actions to date as per 9.155(d); Engagement with chemical industry associations and the scientific community (IUPAC); C-21/DG.15; C-21/DEC.3; Para 20 of C-21/5; C-22/DEC.3; C-22/DG.18, Para 21 of C-22/5*; the Secretariat has strengthened ties with IUPAC through participation in its	Para 9.136 of RC-2/4

			<p>scientific conferences in 2013, 2014, 2015, 2016, and 2017; and appointing the Science Policy Adviser as an observer on its committee on chemistry education; IUPAC is a permanent observer during meetings of the ABEO; Para 20 of C-21/5; C-21/DG.15; an MoU was signed with IUPAC on 1 December 2016.</p> <p>Civil society: In 2014, 63 NGOs were approved by the General Committee to attend the CSP-19; however, only 22 NGOs attended the CSP. In 2015, only 52 NGOs were approved for CSP-20, but attendance increased to 40 NGOs. In 2016, 57 NGOs were approved and 43 NGOs attended CSP-21. 2017 set an all-time record with 66 NGOs approved and 52 attending CSP-22.</p> <p>The OPCW enabled the participation of selected NGOs from developing and transitioning economies from 2015 to 2017 thanks to European Union funds provided to the OPCW for this purpose (travel and accommodation costs). Each year since the Third Review Conference, representatives of civil society organisations have addressed CSP delegates during special plenary sittings.</p> <p>Chemical industry: OPCW's relationship with the chemical industry is highlighted on a dedicated page on the OPCW website.</p>

			<p>Moreover, chemical industry's partnership with the Organisation has been included as one of the milestones in the 20 Moments on the OPCW's 20 Anniversary website and featured on social media through a number of tweets from the "Do You Know" series and in support of 20th Anniversary campaigns throughout 2017.</p> <p>Scientific community: In November 2016 the OPCW highlighted the letter from IUPAC and more than 40 international and national scientific chemical societies from Africa, Europe, the Middle East, and North America, condemning the use of chemical weapons and reiterating support for the OPCW.</p> <p>Academia: The OPCW has continued to support the TMC Asser Summer Programme on Disarmament and Non-Proliferation of Weapons of Mass Destruction in a Changing World, by providing programmatic support, expert speakers, and access to OPCW's HQ and Laboratory for participants. This programme targets academics, officials, industry representatives and NGOs who want to deepen their knowledge of WMD disarmament and non-proliferation, including in the field of chemical weapons.</p>
