1. Declarations under this section

Section K of the Declaration Handbook applies to the declaration requirements for riot control agents held by declaring State Party for riot control purposes, in accordance with paragraphs 1(e) of Article III of the Convention;

2. Declaration requirements and their deadlines

In its declaration, the State Party shall specify the chemical name, structural formula and Chemical Abstracts Service (CAS) registry number, if assigned, of each chemical it holds for riot control purposes. The declaration shall be submitted to the Organisation not later than 30 days after the Convention enters into force for the State Party.

The following CWC definition is important when making declarations under Article III(1)(e) of the Convention:

Riot Control Agent means the following:

Any chemical not listed in a Schedule, which can produce rapidly in humans sensory irritation or disabling physical effects which disappear within a short time following termination of exposure.
