NOTE BY THE TECHNICAL SECRETARIAT

**CALL FOR NOMINATIONS FOR A COURSE ON ASSISTANCE AND PROTECTION
AGAINST CHEMICAL WEAPONS, KUOPIO, FINLAND
8 - 12 SEPTEMBER 2014**

1. On behalf of the Government of Finland and the Organisation for the Prohibition of Chemical Weapons (OPCW), the Director-General wishes to invite Member States to nominate participants for a training course on assistance and protection against chemical weapons, to be held at the Crisis Management Centre (CMC) in Kuopio, Finland, from 8 to 12 September 2014.
2. The course will be jointly organised by the Government of Finland and the Technical Secretariat (hereinafter “the Secretariat”). It will provide training to up to 20 participants in planning for and building a support team in civilian protection and rescue operations in contaminated areas, as well as in appropriate responses, including countermeasures, in the event of incidents involving chemical-warfare agents.
3. The course will offer a basic introduction to the use of individual protective equipment, and to monitoring, detection, and decontamination. It will also facilitate the exchange of information and experiences regarding the implementation of Article X of the Chemical Weapons Convention, and will provide a forum for the discussion of future cooperation among States Parties and of what further offers they might make to the OPCW under Article X. The course will conclude with a practical emergency-response exercise.
4. Given the purpose of the course and its technical nature, candidates will be carefully selected, and should have a background in the chemistry associated with assistance and protection against chemical agents. Preference will also be given to officers from emergency-response units involved in civilian protection. In addition, participants should be physically fit and be able to wear individual protective gear for several hours at a time during the practical sessions of the course. Some practical experience with protective equipment is desirable. Only applicants supported by their National Authority or their Permanent Representation to the OPCW will be considered.
5. The Secretariat expects to be able to sponsor a limited number of participants. When proposing candidates for the course, Member States should specify whether such sponsorship is a condition of their participation. For sponsored participants, the Secretariat will cover the cost of travel and medical insurance, and will provide a

limited subsistence allowance to cover sundry expenses. Accommodation, breakfast, and lunch during the course will be arranged by the Government of Finland for sponsored participants, and will be paid for by the Secretariat. Participants who are not sponsored are also expected to avail themselves of this accommodation and to inform the Secretariat accordingly. Please be aware that only participants with a letter of acceptance from the Secretariat will be allowed to join the course.

6. During the course, the Government of Finland will provide all participants with a welcome dinner, local transport in Kuopio, and course materials, all at no cost to the participants or the OPCW. Further details regarding accommodation, the course venue, and transport will be issued to participants in due course.
7. When making travel arrangements for sponsored participants, the Secretariat will seek the most economical options. Sponsored participants will be allowed to purchase tickets locally only if this leads to further savings for the Secretariat and if the Secretariat authorises it in advance. Participants are expected to arrive **no earlier than Sunday, 7 September 2014**, and to depart **no later than Saturday, 13 September 2014**. The Secretariat's approval is required for any changes to the arrival and departure dates of sponsored participants. The Secretariat will not cover expenses unrelated to the course or that result from unauthorised changes to travel arrangements. Sponsored participants shall bear all costs resulting from changes they make, including cancellations, once the Secretariat has purchased their tickets. Participants who have not been sponsored are requested to make their own travel arrangements.
8. Participants are requested to obtain all necessary visas, including transit visas, as soon as they receive a letter from the OPCW confirming that they will be attending the assistance-and-protection course.
9. The course will be conducted in English, and no interpretation services of any kind will be provided. Participants are therefore expected to have a good written and oral command of English.
10. Interested applicants are invited to register their nomination online via the OPCW website at <http://www.opcw.org/events>, **no later than 9 July 2014**. Please note that all questions marked with an asterisk (*) are mandatory, and must be answered in order for the candidate to be eligible to apply for this event. Interested applicants who for technical reasons are unable to submit an application online to the address above are requested to send an e-mail to EmergAssistBr@opcw.org explaining the problem.
11. Applicants who are unable to register their nomination online may also send a completed nomination form (Annex 2 to this Note), along with a brief curriculum vitae, to the Director, International Cooperation and Assistance Division, OPCW, Johan de Wittlaan 32, 2517 JR The Hague, the Netherlands. Nominations may also be submitted by fax to +31 (0)70 416 3209, or by e-mail to EmergAssistBr@opcw.org. All materials must be received by the Secretariat **no later than 9 July 2014**.
12. Those who have been selected to participate will be contacted within two weeks after the application deadline. States Parties are requested to inform the International

Cooperation and Assistance Division of any administrative or other problems that may arise in connection with the attendance of any participant.
