

Technical Secretariat

International Cooperation and Assistance Division S/1233/2014 29 December 2014 ENGLISH only

NOTE BY THE DIRECTOR-GENERAL

CALL FOR NOMINATIONS FOR THE FOURTH REGIONAL TRAINING COURSE ON EMERGENCY RESPONSE TO CHEMICAL INCIDENTS FOR ASIAN STATE PARTIES SINGAPORE, 9 – 12 MARCH 2015

- 1. On behalf of the Government of Singapore and the Organisation for the Prohibition of Chemical Weapons (OPCW), the Director-General wishes to invite States Parties in Asia to nominate representatives to participate in the fourth regional basic training course on emergency response to chemical incidents, which will take place from 9 to 12 March 2015 at the Civil Defence Academy in Singapore.
- 2. The course, which will be jointly organised by the Government of Singapore and the Technical Secretariat (hereinafter "the Secretariat"), will be held with the support of the Singapore Civil Defence Force at the Civil Defence Academy. It is related to capacity building for national and regional emergency response within the framework of Article X of the Chemical Weapons Convention (hereinafter "the Convention") and will provide training for up to 20 participants in planning for and building a support team in civil protection, civil defence, and decontamination operations in contaminated areas, as well as in appropriate responses and countermeasures in the event of incidents involving chemical-warfare agents and toxic industrial chemicals. It will also give an overview of what kind of assistance the OPCW, the host country, and Member States in Asia can provide, and will assist participating States Parties in establishing a basic capability in protection from chemical weapons, which will directly benefit their civilian populations.
- 3. The course will offer a basic introduction to the use of protective equipment, as well as to monitoring, detection, and decontamination techniques. Participants completing the basic course will acquire a general knowledge of chemical warfare agents and toxic industrial chemicals, as well as knowledge and understanding of the use of individual protective equipment and equipment for detection and decontamination. The course will facilitate the exchange of information and experiences regarding the implementation of Article X of the Convention, and will provide a forum for the discussion of future cooperation among participating Member States and of what further assistance they might make to the OPCW under Article X. The course will conclude with a practical emergency-response exercise.
- 4. Given the purpose of the course and its technical nature, candidates will be carefully selected and should be physically fit and able to wear individual protective equipment

for several hours at a time during the practical sessions of the course. They should also have experience with assistance and protection against chemical weapons. Preference will be given to officers from emergency-response units involved in civilian protection. In addition, it is desirable that participants have some practical experience with protective equipment.

- 5. It should be noted that the course is part of a tailored approach to training focused on annual training cycles conducted at the regional level. In line with this new approach to capacity-building projects under Article X, it is expected that participants selected for this course will participate both in the advanced regional assistance and protection course, to be held in Republic of Korea in June 2015, and in the exercise to be held in November 2015.
- 6. The Secretariat expects to be able to sponsor the participation of a limited number of participants. Each nomination should specify whether sponsorship is a condition of the nominee's participation. For sponsored participants, the Secretariat will cover the costs of travel and medical insurance, and will provide a limited subsistence allowance to cover sundry expenses. The course materials, accommodation, meals, and local transport during the course will be provided by the National Authority of Singapore and the Civil Defence Academy, at no cost to the participants. Further details regarding accommodation, the course venue, and transport will be issued to all confirmed participants at a later date.
- 7. When making travel arrangements for sponsored participants, the Secretariat will seek the most economical options. Participants will be allowed to purchase tickets locally only if this leads to further savings for the Secretariat and if the Secretariat authorises it. In order for the Secretariat to keep costs to a minimum, sponsored participants are expected to arrive **no earlier than Sunday**, **8 March 2015**, and to depart **no later than Friday**, **13 March 2015**. The Secretariat's approval is required for any changes to the arrival and departure dates of sponsored participants. The Secretariat will not cover expenses unrelated to the course or that result from unauthorised changes to travel arrangements. Sponsored participants shall bear all costs resulting from changes they make, including cancellations, once the Secretariat has purchased their tickets. Participants who have not been sponsored are requested to make their own travel arrangements and to inform the Secretariat accordingly.
- 8. All activities during the course will be conducted in English, and no interpretation services of any kind will be provided. Participants are therefore expected to have a good written and oral command of the English language.
- 9. Participants are requested to obtain all necessary visas (including transit visas) before travelling to Singapore.
- 10. Interested applicants are invited to complete the nomination form that is included as Annex 2 to this Note, making sure in particular to provide all the contact details it requests. Completed forms should be sent, along with a brief curriculum vitae, to the Director, International Cooperation and Assistance Division, OPCW, Johan de Wittlaan 32, 2517 JR The Hague, the Netherlands. Nominations may also be submitted by fax to +31 (0)70 416 3209 or by e-mail to EmergAssistBr@opcw.org with reference to the name and location of the course in the subject line. All materials

must be received by the Secretariat **no later than 16 January 2015.** Only selected participants will be contacted; contact will be made within two weeks of the submission deadline. Only selected participants with an OPCW acceptance letter will be permitted to attend the course.

11. Additional information may be obtained from the Assistance and Protection Branch, International Cooperation and Assistance Division. The contact person is Ms Ditta Ciganikova, who can be reached at +31 (0)70 416 3261.
