NOTE BY THE TECHNICAL SECRETARIAT

**CALL FOR NOMINATIONS FOR A JOINT BASIC AND ADVANCED COURSE
ON ASSISTANCE AND PROTECTION FOR RUSSIAN-SPEAKING PARTICIPANTS
SVETLAYA ROSHCHA, BELARUS
15 – 24 MAY 2017**

1. The Director-General of the Organisation for the Prohibition of Chemical Weapons (OPCW) wishes to invite States Parties to nominate Russian-speaking representatives to participate in a joint basic and advanced training course on assistance and protection, which will take place from 15 to 24 May 2017 in Svetlaya Roshcha, Belarus.
2. The course will be jointly organised by the Technical Secretariat (hereinafter “the Secretariat”) and the Government of Belarus, and will provide training for up to 20 instructors who are involved in responding to chemical emergency incidents. The course will cover the following topics:
 - (a) protection of personnel during a chemical emergency;
 - (b) rescue and decontamination operations in contaminated areas; and
 - (c) appropriate responses and countermeasures in the event of incidents involving chemical-warfare agents or toxic chemicals.
3. The course will also provide an overview of the kinds of assistance the OPCW can provide, and will help participating States Parties to enhance the ability and skills of instructors in their countries to offer training in how to provide protection against chemical weapons and other toxic chemicals, as well as in how to manage chemical incidents.
4. The course will offer an introduction to the use of individual and collective protective equipment; to monitoring, detection, and decontamination; and to sampling techniques. It will also facilitate the exchange of information and experiences regarding the implementation of Article X of the Chemical Weapons Convention (hereinafter “the Convention”), and provide a forum for States Parties to discuss how they can cooperate in the future and what further offers they might make to the OPCW under Article X. The course will include field emergency response exercises.
5. Given the purpose of the course and its technical nature, candidates will be carefully selected according to the following criteria:

- (a) All participants should be first responders and/or instructors/trainers, or be involved in developing an emergency response system in their own countries.
 - (b) All participants must have a good oral and written command of Russian, because all activities during the course will be conducted in Russian and no interpretation services of any kind will be available.
 - (c) Preference will be given to instructors from emergency response units, such as firefighters, ambulance personnel, and police officers.
 - (d) Participants must be physically fit and capable of wearing individual protective gear for several hours at a time. Some practical experience with protective equipment is desirable.
6. Applications will be carefully screened on the basis of the criteria specified in paragraph 5 above. Only the most suitable applicants will be selected.
 7. The Secretariat expects to be able to sponsor a limited number of participants from States Parties. For sponsored participants, it will cover the costs of accommodation and meals. Further details regarding accommodation, the course venue, and transport will be issued to all confirmed participants at a later date.
 8. When making travel arrangements for sponsored participants, the Secretariat will seek the most economical options. In order for the Secretariat to keep costs to a minimum, sponsored participants are expected to arrive no earlier than **Sunday, 14 May 2017**, and to depart no later than **Thursday, 25 May 2017**. The Secretariat's approval is required for any changes to the arrival and departure dates of sponsored participants. The Secretariat will not cover expenses unrelated to the course or that result from changes in travel arrangements that it has not authorised. Sponsored participants shall bear all costs resulting from changes they make, including cancellations, once the Secretariat has purchased their tickets. Participants who have not been sponsored are requested to make their own travel arrangements.
 9. Participants are requested to obtain all necessary visas before travelling to Belarus. Interested applicants are invited to complete the nomination form that is included as Annex 2 to this Note, making sure to provide all contact details and to indicate their dietary preferences. Completed forms should be sent to the Director, International Cooperation and Assistance Division, OPCW, Johan de Wittlaan 32, 2517 JR The Hague, the Netherlands. Nominations may also be submitted by fax to +31 (0)70 416 3209 or by email to EmergAssistBr@opcw.org (the subject line of the email should refer to the name and location of the course). All materials must be received by the Secretariat **no later than 10 March 2017**.
