NOTE BY THE DIRECTOR-GENERAL

**CALL FOR NOMINATIONS FOR THE SEVENTH TRAINING COURSE
ON CONDUCTING SAMPLING AND ANALYSIS
IN A HIGHLY CONTAMINATED ENVIRONMENT
CZĘSTOCHOWA, POLAND
13 – 17 MAY 2019**

1. On behalf of the Government of Poland and the Organisation for the Prohibition of Chemical Weapons (OPCW), the Director-General wishes to invite Member States to nominate participants for a training course in conducting sampling and analysis in a highly contaminated environment, to be held in Częstochowa, Poland, from 13 to 17 May 2019.
2. The course will be jointly organised by the Government of Poland and the Technical Secretariat (hereinafter “the Secretariat”). The main purpose of the training is to provide expert knowledge and skills to 20 specialists from Member States, who would be responsible for conducting sampling and analysis tasks in a highly contaminated environment as a result of a chemical attack or a chemical incident.
3. Member States that do not yet have sampling and analysis capabilities are especially encouraged to nominate participants. Given the objectives of the course, and its technical nature, applicants should have a solid technical background in chemistry and the management of hazardous chemical substances. Participants must also be qualified and experienced in using and wearing self-contained breathing apparatus (SCBA). Previous practical experience in military or civil protection is desirable. Individual protective suits will be worn for several hours each day, and participants must, therefore, be physically fit and able to wear such equipment for extended periods.
4. The Secretariat expects to be able to sponsor a limited number of participants from States Parties. Each nomination should specify whether sponsorship is a condition of the nominee’s participation. The course materials, accommodation, meals, and local transport during the course will be provided by the National Authority of Poland. Further details regarding accommodation, the course venue, and transport will be issued to all selected participants at a later date.
5. When making travel arrangements for sponsored participants, the Secretariat will seek the most economical options. In order for the Secretariat to keep costs to a minimum, sponsored participants are expected to arrive no earlier than Sunday, 12 May 2019, and to depart no later than Saturday, 18 May 2019. The Secretariat will not cover expenses unrelated to the course or that result from unauthorised changes to travel

arrangements. Sponsored participants shall bear all costs resulting from changes they make, including cancellations, once the Secretariat has purchased their tickets.

6. Applicants are expected to be familiar with the principles of first response, including sampling, and chemical emergency management and will be carefully selected in line with the objective of the course and their stated area of expertise.
7. The course will be conducted in English, and no interpretation services of any kind will be provided. Participants are therefore expected to have a good command of both written and spoken English.
8. Interested applicants are invited to register their nomination online through Eventus—the OPCW event management system—**no later than 15 March 2019**. The Eventus registration link is accessible via the OPCW website at: <https://apps.opcw.org/eventus>. Please note that all questions marked with an asterisk (*) must be answered in order for the nomination to be received and for the candidate to be considered for this event. The endorsement form attached as Annex 3 to this note must be uploaded during the registration process for the course.
9. Applicants who, for technical reasons, are unable to submit their application online via Eventus are requested to complete and send the nomination and endorsement forms attached as Annexes 2 and 3 to this Note, to the email addresses indicated in Annex 2, with reference to the name and location of the event in the subject line.
10. Participants are requested to obtain all necessary visas, including transit visas, before travelling to Poland. Please be aware that Schengen Area visas can take up to three weeks to obtain, so the visa request should be submitted well in advance.
11. The provisional programme for the course is included as Annex 1 to this Note; further details will be issued at a later date. Any questions should be addressed to the Assistance and Protection Branch of the International Cooperation and Assistance Division. The contact persons are Mr Justo Quintero Méndez, who can be reached at +31 (0)70 416 3775, and Mr Victor Barros-Correia, who can be reached at +31 (0)70 416 3430.

CZĘSTOCHOWA, POLAND
13 – 17 MAY 2019**

PROVISIONAL PROGRAMME

| Time | Activity |
|------------------------------------|--|
| <i>Sunday, 12 May 2019</i> | |
| | Participants arrive in Częstochowa, Poland (pick up at Katowice International Airport) |
| <i>Monday, 13 May 2019</i> | |
| 08:15 | Participants meet in front of the hotel reception |
| 08:30 – 09:00 | Opening ceremony |
| 09:00 – 09:15 | Official photograph |
| 09:15 – 09:45 | Presentation: Article X of the Chemicals Weapons Convention |
| 09:45 – 10:00 | Presentation: General aspects of sampling (Familiarisation with the quality-management system document (QDOC), requirements and procedures) |
| 10:00 – 10:15 | <i>Coffee/tea break</i> |
| 10:15 – 11:15 | Presentation: Sampling and analysis of hazardous substances. General rules and hazards |
| 11:15 – 12:00 | Presentation: Equipment related to sampling of hazardous substances |
| 12:00 – 12:30 | Presentation: Occupational health |
| 12:30 – 13:30 | <i>Lunch</i> |
| 13:30 – 15:00 | Presentation: Collection of liquid, air, and soil samples. Individual practice |
| 15:00 – 15:30 | <i>Coffee/tea break</i> |
| 15:30 – 16:45 | Presentation: Taking samples in emergency situations |
| 16:45 – 17:00 | Summary of the day |
| <i>Tuesday, 14 May 2019</i> | |
| 08:30 – 09:30 | Presentation: Self-contained breathing apparatus (SCBA) health and safety requirements (medical evaluation, fitness test) |
| 09:30 – 10:30 | Refresher session on individual protective equipment (IPE) Types and uses, donning and doffing |
| 10:30 – 11:00 | <i>Coffee/tea break</i> |
| 11:00 – 12:30 | Practical session: SCBA operation (respiratory capabilities and limitations, inspection, donning and doffing, seal checking, normal use, emergency procedures) |
| 12:30 – 13:30 | <i>Lunch</i> |
| 13:30 – 15:30 | Practical session on IPE. Practice in the smoke chamber. Analysis of substances (methods and handling of devices) |
| 15:30 | Summary of the day |
| 16:30 | Social activity |

| | |
|-------------------------------|---|
| Wednesday, 15 May 2019 | |
| 08:30 – 10:30 | Sample collection practice (wearing IPE) |
| 10:30 – 11:00 | <i>Coffee/tea break</i> |
| 11:00 – 12:30 | Sample collection practice (IPE and SCBA, face piece off) |
| 12:30 – 13:30 | <i>Lunch</i> |
| 13:30 – 15:00 | Sample collection practice (team in IPE) |
| 15:00 – 15:30 | <i>Coffee/tea break</i> |
| 15:30 – 17:00 | Sample collection practice (team in IPE and SCBA, face piece off) |
| 17:00 – 17:30 | Summary of the day |
| Thursday, 16 May 2019 | |
| 08:00 – 12:30 | Presentation and practice: Identification of hazards and sampling of chemicals with use of chemical protective clothing and respiratory protection equipment (individual work) (scenario 1) |
| 12:30 – 13:30 | <i>Lunch</i> |
| 13:30 – 17:00 | Presentation and practice: Identification of hazards and sampling of chemicals with use of chemical protective clothing and respiratory protection equipment (teamwork) |
| Friday, 17 May 2019 | |
| 08:00 – 13:00 | Practice and evaluation: Team coordination in a fire scenario (evaluation of participants during a small, real fire exercise, team coordination, safety approaches, and sample collection) |
| 13:00 – 14:00 | <i>Lunch</i> |
| 14:00 – 15:00 | Discussion and evaluation of results |
| 15:00 – 15:15 | <i>Coffee/tea break</i> |
| 15:15 – 16:00 | Summary of the training |
| 16:00 – 16:30 | Course evaluation |
| 16:30 – 17:00 | Closing remarks |
| Saturday, 18 May 2019 | |
| | Departure of participants |
