NOTE BY THE TECHNICAL SECRETARIAT

INVITATION TO APPLY FOR AN EXECUTIVE PROGRAMME ON INTEGRATED CHEMICALS MANAGEMENT
BANGKOK, THAILAND
3 – 6 SEPTEMBER 2019

Purpose of the course

1. The Technical Secretariat (hereinafter “the Secretariat”) of the Organisation for the Prohibition of Chemical Weapons (OPCW) wishes to inform Member States that it will organise an Executive Programme on Integrated Chemicals Management. The programme will be held in Bangkok, Thailand from 3 to 6 September 2019.

2. The programme, intended for Member States of the OPCW whose economies are developing or in transition, is open to chemists, chemical engineers, and other relevant government, industry, or other professionals who assume managerial and leadership responsibilities related to the implementation of the Chemical Weapons Convention (hereinafter “the Convention”).

3. The overall objective of the programme is to help the relevant Member States build capacity and develop in-depth knowledge and leadership skills in integrated chemicals management, including in the areas of chemical safety and security and sustainability.

4. The course will sponsor up to 15 participants from Member States whose economies are either developing or in transition.

Structure of the programme

5. The four-day programme will be structured as follows:

   Day 1
   (a) Programme opening. Lectures on the Convention, introduction to the concept of integrated chemicals management, and related challenges and trends in the global chemical industry.

   Day 2
   (b) Lectures on dealing with and anticipating changes in the global chemicals market though integrated chemicals management; an integrated approach to chemical safety and security; convergent trends in the Chemical and
Biological Weapons Conventions; integrated chemicals management; and sustainable industry development. Day 2 will also feature peer interaction and insights from the latest developments in these fields.

Day 3

(c) Lectures on topics related to integrated chemicals management: the experience of relevant international organisations; management of the chemical supply chain; and executive leadership on integrated chemicals management, with a focus on role models and lessons learned.

Day 4

(d) Study visit to a chemical facility, course evaluation, and programme closing.

Sponsorship

6. The Secretariat will sponsor a limited number of participants from Member States whose economies are either developing or in transition. The sponsorship will cover costs of travel, medical insurance, and accommodation. Sponsored participants will also be provided with a limited subsistence allowance to cover meals and miscellaneous costs. Further details regarding the accommodation and other logistical arrangements will be issued to all confirmed participants at a later date. Sponsored participants who do not intend to use the accommodation arranged by the Secretariat are requested to indicate this as soon as possible, so that the Secretariat will not incur hotel cancellation fees. In any case, the Secretariat will not cover the costs of any accommodation that it has not arranged.

7. Participants are requested to obtain any necessary visas before travelling to Thailand. The cost of visa applications will be reimbursed to participants upon production of original receipts. The Secretariat will send information to participants regarding visa applications.

8. The Secretariat will not pay for medical assistance. Therefore, participants should be fit for travel. All participants taking prescribed medication should arrive with sufficient supplies for the duration of the events.

9. When making travel arrangements for sponsored participants, the Secretariat will seek the most economical options. The Secretariat will purchase tickets and send them to participants. Participants will be allowed to purchase tickets locally only if this leads to further savings for the Secretariat and if the Secretariat authorises it. Sponsored participants must bear all costs resulting from any changes they make once the Secretariat has purchased the tickets. Non-sponsored participants will be requested to make their own travel and accommodation arrangements, although the Secretariat can, if necessary, arrange accommodation. In order for the Secretariat to keep costs to a minimum, sponsored participants are expected to arrive no earlier than Monday, 2 September 2019 and to depart no later than Saturday, 7 September 2019.

10. The Secretariat strongly encourages Member States to nominate programme participants who do not require sponsorship.
