REPORT BY THE DIRECTOR-GENERAL

STATUS OF IMPLEMENTATION OF ARTICLE VII OF THE CHEMICAL WEAPONS CONVENTION AS AT 31 JULY 2019: ARTICLE VII - INITIAL MEASURES

Introduction

- 1. In operative paragraph 1 of the decision on the follow-up to the plan of action regarding the implementation of obligations under Article VII of the Chemical Weapons Convention (hereinafter "the Convention") (C-10/DEC.16, dated 11 November 2005), the Conference of the States Parties (hereinafter "the Conference") stressed that it was imperative for States Parties that had yet to fulfil their obligations under Article VII to do so without delay.
- 2. The Third Review Conference¹ "[e]ncouraged the Secretariat to explore innovative methods of providing assistance on tailor-made approaches as a potential means to further advance the implementation of Article VII" (subparagraph 9.103(c) of RC-3/3*, dated 19 April 2013). Furthermore, the Technical Secretariat (hereinafter "the Secretariat") was requested to "continue to submit its annual report on the implementation of Article VII to the Conference, and ... to include an assessment in this report, for consideration by the policy-making organs, containing a comprehensive and objective analysis of the current status of national implementation, with a view to tracking the progress made and formulation of focused assistance programmes" (subparagraph 9.103(h) of RC-3/3*).
- 3. Pursuant to the request received from the Third Review Conference, and in close cooperation with States Parties, the Secretariat has updated the two matrices included in the annual reports—the one addressing the initial measures taken by States Parties in accordance with Article VII and the second listing additional measures—and is presenting them in two concurrent reports, as invited by the Conference (paragraph 8 of C-14/DEC.12, dated 4 December 2009).

Legislative and administrative implementation

4. This document provides an update on the status and progress in adopting the initial measures that are necessary for all States Parties to implement in order to achieve the objectives set forth under the Convention.

5. The information is based on the responses received from States Parties to the note verbale sent by the Secretariat on 28 February 2019 requesting them to provide updates on the status of implementation of Article VII and to fill in the matrices attached to the note verbale. As at the cut-off date of the current report, 126 States Parties had replied to the note verbale (Table 1).
