***NV 12 / 2020 – OPCW***

The Permanent Representation of the Republic of Cuba to the Organisation for the Prohibition of Chemical Weapons (OPCW) conveys its greetings to the Technical Secretariat and has the honour of reiterating its full support and respect for the legitimate Permanent Mission of the Bolivarian Republic of Venezuela to the OPCW as well as its representatives, who have been designated in line with the Constitution of the Bolivarian Republic of Venezuela and are accredited in accordance with the standards of the Organisation, international law, and the obligations of the host country.

The Permanent Representation of the Republic of Cuba regrets that the considerations that are unrelated to the Organisation's work on issues relating to the government recognition have found their way into discussions held at the OPCW; at the same time, it reiterates its unwavering support for the Government of the Bolivarian Republic of Venezuela, which is led by its legitimate President Nicolás Maduro Moros.

The Permanent Representation of the Republic of Cuba kindly requests that the Technical Secretariat circulate this *note verbale* as an official document of the Ninety-Fourth Session of the OPCW Executive Council and publish it on the Organisation's external server and public website.

The Permanent Representation of the Republic of Cuba expresses its appreciation and avails itself of this opportunity to renew to the honourable Organisation for the Prohibition of Chemical Weapons and its Technical Secretariat the assurances of its highest considerations.
