Stepping up Gender Equality at the OPCW

Paolo Bernasconi, Head Human Resources
Technical Secretariat
"Our motto, working together for a world free of chemical weapons, can only be realised when we engage all of the world's citizens in this challenging endeavour. The toughest problems require the best people and making use of 100% of the talent pool. We celebrate diversity in all of its forms. The OPCW is committed to providing equal opportunities for everyone as we work to rid the world of chemical weapons."
