23. AGENDA ITEM TWENTY-THREE – Follow-up to the Third Review Conference

In paragraph 9.17 of its report (RC-3/3*, dated 19 April 2013), the Third Review Conference expressed its intention to keep the declarations contained in paragraphs 9.3 to 9.16 of that document under review at each regular session of the Conference. Subsequently, the agendas of the Council from its Seventy-Third through Ninety-Fifth Sessions have included an item on the follow-up to the Third Review Conference. Starting from the Eightieth Session of the Council, it was decided to introduce a new procedure whereby updates are provided to the Council by way of an addendum to the Matrix that encompasses only new activities and developments during the reporting period. A full version of the Matrix was produced only once a year. At its Ninety-First Session, the Council decided that, following the issuance of the final full version of the Matrix at the Ninety-Second Session of the Council, the Secretariat would produce addenda for all subsequent regular sessions that would encompass only new and relevant developments during the reporting period. The most recent such document is EC-96/S/4 (dated 18 February 2021). The Conference is **requested** to note the activities in furtherance of its review of the declarations contained in paragraphs 9.3 to 9.16 of RC-3/3*.
