**STATEMENT BY THE DELEGATION OF THE STATE OF PALESTINE  
TO THE OPCW AT THE TWENTY-FIFTH SESSION  
OF THE CONFERENCE OF THE STATES PARTIES  
JUSTIFICATION OF THE VOTE ON AGENDA ITEM THIRTEEN:  
THE PROGRAMME AND BUDGET OF THE OPCW FOR 2021**

Thank you, Mr Chairperson,

My delegation wishes to justify our vote (abstention) on the draft decision on the Programme and Budget of the OPCW for 2021 and to stress that the adoption by the Conference of decisions concerning financial matters of the OPCW, including the adoption of the Programme and Budget, is vital for the Organisation to be able to implement its programmes and achieve the objectives set for it in the Convention. At the same time, we wish to stress the need to take all decisions concerning the Programme and Budget by consensus, rather than by voting.

The State of Palestine and other States have pointed out that the Programme and Budget of the OPCW for 2021 was presented for adoption as part of an omnibus decision containing distinct items that could have been discussed separately.

The State of Palestine affirms that omnibus decisions on the budget prevent States from expressing their views on separate issues and elements that have been added to the budget without consensus. It is our view, therefore, that the decision to adopt the Organisation's Programme and Budget should be based on a common ground, consensually agreed upon among all States Parties to the Convention.

We would kindly ask that this statement be considered an official document of the Conference and posted on the Organisation's external server and public website.

Thank you, Mr Chairperson.
