Permanent Mission
Of The Syrian Arab Republic
To The Organization For The
Prohibition Of Chemical Weapons
The Hague

No: 68
Date: 9th July 2021

Note Verbal

The Permanent Mission of the Syrian Arab Republic to the Organization for the Prohibition of Chemical Weapons OPCW presents its compliments to the Technical Secretariat - Office of the Director General, and has the honor to convey the following information from the Syrian National Authority.

On the 8th of June 2021, at exactly 23:40 p.m., The ‘Al-Nasiriyah’ site (one of the 5 underground facilities - tunnels - that were sealed with the knowledge of the Technical Secretariat of the OPCW) was flagrantly attacked by the Israeli enemy using missiles. The offensive left the following losses:

- 13 rooms were totally destroyed. Those were prepared for different uses (offices, warehouse, guards bedrooms, workshops for the watch squad, electricity generators)
- Losses in weapons and munitions
- Losses in firefighting equipment
- Loss in ordnance
- Missions accounting and Mobilization.
- The 2 chlorine cylinders related to the alleged Douma incident of (2018).

The Syrian National Authority further pointed out that this information was prepared after the relevant authorities finished taking stock of the losses that rose from the flagrant Israeli aggression on the site.

The Permanent Mission of the Syrian Arab Republic kindly request the Technical Secretariat to consider this Information as unclassified, distribute it to all states parties, and publish it on the OPCW’s extranet and internet as an official document of the 98th Session of the Executive Council.

The Permanent Mission of the Syrian Arab Republic avails itself of this opportunity to renew to the Technical Secretariat of the Organization for the Prohibition of Chemical Weapons the assurances of its highest consideration.

The Organization for the Prohibition
Of Chemical Weapons (OPCW)
