

NOTE BY THE TECHNICAL SECRETARIAT

**CALL FOR NOMINATIONS
FOR THE EIGHTH ANNUAL MEETING OF REPRESENTATIVES
OF CHEMICAL INDUSTRY AND NATIONAL AUTHORITIES OF STATES PARTIES
TO THE CHEMICAL WEAPONS CONVENTION
(ONLINE)
12 AND 13 OCTOBER 2021**

1. The Technical Secretariat (hereinafter “the Secretariat”) wishes to invite National Authorities and representatives from national chemical industry associations to submit applications for the Eighth Annual Meeting of Representatives of the Chemical Industry and National Authorities of States Parties to the Chemical Weapons Convention (hereinafter “the Convention”).
2. In order to facilitate the attendance of this meeting across different time zones, the meeting will be held twice, namely on 12 and 13 October 2021, offering the same programme (see Annex 1 to this Note).
3. The event seeks to enhance cooperation between the chemical industry and National Authorities to support the full and effective implementation of the Convention.
4. The chemical industry has been recognised as a key stakeholder in the implementation of the Convention. The Third Special Session of the Conference of the States Parties to Review the Operation of the Chemical Weapons Convention highlighted the important role that the chemical industry has to play in the implementation of the Convention, and encouraged the Secretariat to continue to strengthen its relations with regional and international chemical industry associations.
5. The objectives of the meeting are to:
 - (a) promote cooperation between National Authorities and the chemical industry;
 - (b) provide an occasion to share experiences, challenges, and good practices in relation to the implementation of the Convention at the national, regional, and global levels; and
 - (c) enhance awareness of particular requirements in relation to the Convention among representatives of the chemical industry and National Authorities, and thereby enhance the capacity of both stakeholders to implement relevant provisions in a timely and effective manner.

6. The meeting will focus on the following topics:
 - (a) the importance of verification activities under Article VI of the Convention in light of emerging threats, including chemical terrorism;
 - (b) chemical industry initiatives related to chemical security and engagement of the chemical industry in the development of chemical security regulations; and
 - (c) best practices in advocacy and outreach to the chemical industry to raise awareness of the Convention at the national level.
7. States Parties with relevant chemical industry activities and stakeholders are invited to nominate **two participants** for this meeting, one from the National Authority and one from a national chemical industry association. States Parties are strongly encouraged to nominate candidates who have not participated in previous such meetings.
8. The meeting will be conducted in English. All participants are therefore expected to have a good command of English.
9. Nominated applicants/participants are invited to register in Eventus—the OPCW event management system (<https://apps.opcw.org/Eventus/Home/EventDetail/285>)—**no later than 17 September 2021**. Applicants must first create an account and then register for the event.
10. All nominations must be endorsed by the Head or Chief Coordinator of the National Authority. The endorsement form, which is attached as Annex 2 to this Note, must be uploaded by applicants during the registration process for the meeting.
11. Interested participants who, for technical reasons, are unable to submit the application online are requested to send an email to ipb@opcw.org with a reference to the name of the event in the subject line of the message. The Secretariat will provide the necessary advice and assistance with the registration.
12. In addition, applicants are required to complete and submit a questionnaire indicating “NA-CI meeting” in the subject line of the email, **before 17 September 2021**, to Mr Alberto Fernández (alberto.fernandez@opcw.org). The questionnaire is attached as Annex 3 to this Note; an MS Word version of this document can be provided by Mr Alberto Fernández.
13. Applications will be considered only if: a) a complete set of all required documents is submitted, and b) the respective State Party has nominated two participants as per paragraph 7 above.
14. Additional information about the meeting may be obtained from the Implementation Support Branch, International Cooperation and Assistance Division, of the OPCW. The contact persons are Ms Sharon Rivera (Tel: +31 (0)70 416 3437, Email: sharon.rivera@opcw.org) and Mr Alberto Fernández (Tel: +31 (0)70 416 3850, Email: alberto.fernandez@opcw.org).
