### NOTE BY THE TECHNICAL SECRETARIAT

#### OPCW CALENDAR FOR OCTOBER TO DECEMBER 2022

1. The calendar annexed hereto lists events organised by the OPCW in the period from October to December 2022. It also includes sessions and meetings of the policy-making organs and their subsidiary bodies. It does not include consultations of an informal nature or other activities of the Executive Council; these are reflected in the OPCW weekly Journal.
2. In light of the restrictions posed by COVID-19 and in line with the measures adopted by the OPCW Host Country Government, the Technical Secretariat (hereinafter “the Secretariat”) is regularly reviewing the feasibility of the planned events and their delivery formats. This may require further updating of this list as conditions evolve. The Secretariat is committed to resuming the in-person format of delivery as soon as conditions permit, while actively pursuing the provision of capacity-building support through alternative means in the form of remote online sessions.
3. The calendar is also available on the OPCW website ([www.opcw.org](http://www.opcw.org)) and will be updated periodically.
