

**NOTE BY THE DIRECTOR-GENERAL**

**CALL FOR NOMINATIONS FOR THE TWENTY-FOURTH REGIONAL MEETING  
OF NATIONAL AUTHORITIES OF STATES PARTIES  
IN LATIN AMERICA AND THE CARIBBEAN  
BRASÍLIA, BRAZIL  
4 – 6 JULY 2023**

1. On behalf of the OPCW, the Director-General wishes to invite representatives of National Authorities to attend the Twenty-Fourth Regional Meeting of National Authorities of States Parties in Latin America and the Caribbean, which will be held in Brasília, Brazil, from 4 to 6 July 2023.
2. This regional meeting of National Authorities will serve as a forum for States Parties to discuss needs, priorities, actions taken, and best practices in relation to the implementation of the Chemical Weapons Convention (hereinafter “the Convention”) at the national and regional levels.
3. The purpose of the meeting is to facilitate and exchange information and views on:
  - (a) OPCW capacity-development support for the implementation of obligations under Articles VI, VII, X, and XI;
  - (b) tools available in support of timely and accurate declarations, as well as updated information about OPCW inspections;
  - (c) progress made and challenges encountered in implementing the Convention in the region; and
  - (d) policy-related issues, including the outcome of the Fifth Special Session of the Conference of the States Parties to Review the Operation of the Chemical Weapons Convention.
4. The expected results of the meeting include:
  - (a) ensuring that participants are provided with relevant and updated information on the status of implementation of the Convention in the region;
  - (b) enhancing participants’ understanding of potential follow-up actions and best practices of States Parties in relation to the implementation of the Convention; and
  - (c) further strengthening participants’ understanding of specific issues related to Articles VI, VII, X, and XI of the Convention and the respective support provided by the Technical Secretariat (hereinafter “the Secretariat”).

5. The provisional programme for the regional meeting is included as the Annex to this Note.
6. The Secretariat expects to be able to sponsor two participants from each State Party from the region. The nominee should be a representative of the National Authority. The nomination should specify whether sponsorship is a condition of the nominee's participation.
7. For sponsored participants, the Secretariat will cover the costs of travel, accommodation, meals, and medical insurance, and will provide a limited subsistence allowance to cover terminal expenses. Sponsored participants who do not intend to use the accommodation arranged by the Secretariat are requested to indicate this as soon as possible to prevent the Secretariat from incurring hotel cancellation fees. In any case, the Secretariat will not cover the costs of any accommodation that it has not arranged.
8. When making travel arrangements for sponsored participants, the Secretariat will seek the most economical options. The Secretariat will purchase tickets and send them to the participants. Participants will be allowed to purchase tickets locally only if the Secretariat authorises it and if it leads to further savings for the Secretariat. Sponsored participants must bear all costs resulting from any changes they make once the Secretariat has purchased the tickets. Participants who have not been sponsored will be requested to make their own travel and accommodation arrangements. In order to keep costs to a minimum, sponsored participants are expected to arrive **no earlier than Monday, 3 July 2023** and to depart **no later than Friday, 7 July 2023**.
9. Participants are requested to obtain any necessary visas (including transit visas) before travelling to Brazil. When applying for any entry visa, they should present the Embassy or Consulate of Brazil with a copy of the acceptance letter from the OPCW.
10. The meeting will be conducted in English and Spanish, and interpretation services will be provided between these two languages.
11. Interested National Authority representatives are invited to register online by **2 May 2023 (at the latest)** through Eventus, the OPCW event management system. Each application must be endorsed digitally on the Eventus platform by the nominee's respective National Authority. National Authorities are strongly encouraged to support and endorse the nominations of female participants for this event.
