1. The Technical Secretariat of the OPCW (the Secretariat) invites National Authorities in the Asia region to nominate representatives to attend the Twenty-Second Regional Meeting of National Authorities of States Parties in Asia, which will be held in Tashkent, Uzbekistan, from 29 to 31 May 2024.
2. The regional meeting of National Authorities will serve as a forum for States Parties in Asia to discuss the status of the implementation of the Chemical Weapons Convention (the Convention) within the region. To this end, States Parties will have the opportunity to share their experiences, current understandings, challenges, priorities, and capacity-building needs to advance the implementation of the Convention in line with their respective constitutional requirements. In light of priorities identified at the regional, subregional, and national levels, National Authorities will be able to discuss potential areas for State-to-State cooperation and/or assistance.
3. The objectives of the meeting are to:
  - (a) provide States Parties with updates on capacity-building activities of the Secretariat, and discuss regional priorities and regional support needs;
  - (b) discuss national implementation of Article VII of the Convention, specifically successes, challenges, and priorities with respect to the adoption of comprehensive national implementing legislation;
  - (c) explore opportunities for regional and subregional cooperation to advance the implementation of the Convention, including through bilateral cooperation;
  - (d) discuss practices related to States Parties' declaration and inspection obligations arising under Article VI of the Convention; and
  - (e) discuss national experiences with respect to the development of legislative and regulatory frameworks on chemical security, including through the use of the National Implementation Framework.

4. The expected results of the meeting include:
  - (a) increased awareness of the status of implementation of the Convention and of the challenges faced at the national and regional levels;
  - (b) an in-depth understanding of the critical importance of comprehensive implementation of Articles VI and VII of the Convention in preventing the re-emergence of chemical weapons and in addressing Convention-related security threats;
  - (c) an enhanced sense of ownership by the National Authorities in respect of national implementation responsibilities;
  - (d) a shared understanding of regional priorities, capacity-building needs, and means to achieve these priorities;
  - (e) an enhanced level of coordination and collaboration among the national and regional stakeholders that are expected to play a key role in the national implementation of the Convention;
  - (f) the identification of potential subregional or regional cooperation opportunities to further implementation of the Convention; and
  - (g) the collection of feedback on ways and means to further improve capacity-building activities for the region and on the tools to improve national implementation, including by making use of the National Implementation Framework.
5. The provisional programme for the regional meeting is provided as the Annex to this Note. Participants in the meeting will be expected to contribute to the proceedings and discussions by making presentations, providing inputs in discussions, and acting as facilitators during the sessions.
6. The meeting will be conducted in English. All participants are therefore expected to have a good oral and written command of English.
7. National Authorities of each State Party are requested to nominate up to three participants to attend the regional meeting.
8. The Secretariat expects to be able to sponsor **one participant from each State Party** in the region. The nominee should be a representative of the National Authority directly responsible for or involved in Convention implementation. The nomination should specify whether sponsorship is a condition for the nominee's participation. States Parties are welcome to nominate participants for whom sponsorship is not required.
9. For sponsored participants, the Secretariat will cover the costs of travel, hotel accommodation, meals, and medical insurance, in addition to a limited subsistence allowance to cover terminal and sundry expenses. Sponsored participants who do not intend to use the accommodation arranged by the Secretariat are requested to indicate this no later than four weeks prior to the event, in order to prevent the Secretariat from incurring hotel cancellation fees. In any case, the Secretariat will not cover the costs of any accommodation that it has not arranged.

10. Participants should be fit to travel. All participants taking prescribed medication should arrive with supplies sufficient for the duration of the event. When making travel arrangements for sponsored participants, the Secretariat will seek the most economical options. The Secretariat will purchase tickets and send them directly to the participants. Participants will be allowed to purchase tickets locally only if this leads to further savings for the Secretariat. Participants who have not been sponsored will be requested to make their own travel and accommodation arrangements. In order to keep costs to a minimum, sponsored participants are expected to arrive **no earlier than 28 May 2024** and to depart **no later than 1 June 2024**. The Secretariat's agreement is required for any changes to these arrival and departure dates. The Secretariat will not cover expenses that are not related to the meeting or that result from changes in travel arrangements that it has not authorised. Sponsored participants must bear all costs resulting from changes they make, including cancellations, once the Secretariat has purchased tickets.
11. Participants are requested to obtain any necessary visas (including transit visas) before travelling to Uzbekistan. When applying for any required entry visa, they should present the Embassy or Consulate of Uzbekistan with a copy of the acceptance letter from the OPCW.
12. Participants nominated by their State Party's National Authority are invited to register online through Eventus, the OPCW event management system (<https://apps.opcw.org/eventus>).
