NOTE BY THE DIRECTOR-GENERAL

SCALE OF ASSESSMENTS FOR 2013

1. Paragraph 7 of Article VIII of the Chemical Weapons Convention (hereinafter “the Convention”) and Regulation 5.1 of the Financial Regulations and Rules of the OPCW require that annual contributions to meet the costs of the OPCW’s activities be paid by States Parties in accordance with the United Nations scale of assessments, adjusted to take into account differences in membership between the United Nations and the OPCW.

2. Subparagraph 21(b) of Article VIII of the Convention and Regulation 3.6 of the Financial Regulations and Rules stipulate that the Conference of the States Parties (hereinafter “the Conference”) shall decide on the scale of financial contributions to be paid by States Parties.

3. Subparagraph 32(a) of Article VIII of the Convention requires the Executive Council (hereinafter “the Council”) to consider and submit to the Conference the Draft Programme and Budget of the OPCW.

4. The Director-General submitted to the Council a Draft Programme and Budget for 2013 that calls, inter alia, for its consideration of assessed annual contributions by States Parties for 2013 of EUR 66,516,600 (EC-70/CRP.1/Rev.1 and Corr.1, both dated 28 September 2012).

5. The Council at its Seventieth Session considered this document and recommended it to the Conference for adoption at its Seventeenth Session (EC-70/DEC.3, dated 28 September 2012).

6. Separately, the United Nations General Assembly is expected to determine a new scale of assessments for 2013 by the end of 2012. The current United Nations scale of assessments, which applies to 2010, 2011, and 2012, was established at the sixty-fourth session of the General Assembly (A/RES/64/248, dated 5 February 2010).

7. Member States will also be aware that, according to OPCW Financial Regulation 5.4, assessed annual contributions to the OPCW Programme and Budget shall be due and payable in full within 30 days of the receipt of communications from the
Director-General informing the States Parties of their commitments, or on the first
day of the financial period to which the communications relate, whichever is later.

8. Annexed to the present Note is an indicative scale of assessments and associated
annual contributions for each State Party to the Convention, based on the
Director-General’s Draft 2013 Programme and Budget and the United Nations scale
of assessments for 2012.

9. The OPCW’s scale of assessments for 2013 and notices of assessments for individual
States Parties will be prepared at the end of 2012, following the United Nations
General Assembly’s decision on its new scale of assessments for 2013.

10. Because it is crucial to the funding of OPCW activities for 2013 that the Technical
Secretariat receive assessed annual contributions early in that new financial year, the
Conference may wish to consider also adopting a scale of assessments for 2013 based
on the United Nations scale of assessments for 2012, as a contingency measure only,
to cover the eventuality that the United Nations General Assembly does not determine
the United Nations scale of assessments for 2013 by the end of 2012.
