DECISION

**PROPOSAL FROM LIBYA
FOR A MULTI-YEAR PAYMENT PLAN TO REGULARISE THE PAYMENT
OF ITS OUTSTANDING ANNUAL CONTRIBUTIONS**

The Executive Council,

Noting that the Conference of the States Parties (hereinafter “the Conference”) at its Eleventh Session approved the use of multi-year payment plans as a mechanism to encourage States Parties that are in arrears to regularise the payment of their outstanding advances to the Working Capital Fund or annual contributions, to eliminate those arrears, and thus to demonstrate their commitment to meeting their financial obligations under Article VIII of the Chemical Weapons Convention (C-11/DEC.5, dated 7 December 2006);

Noting also the request, in paragraph 5 of that decision, that it make appropriate recommendations to the Conference on such multi-year payment plans;

Bearing in mind the terms of the mechanism set out in that decision for the implementation of such plans; and

Noting further that Libya has submitted to the Technical Secretariat a multi-year plan under which it has proposed to regularise the payment of its outstanding annual contributions (Annexes 1 and 2 to EC-86/DG.26, dated 28 September 2017);

Hereby:

Recommends that the Conference at its Twenty-Second Session approve the multi-year payment plan annexed hereto.
