

**Turkey**  
**Statement by the Representative of Turkey to the OPCW**  
**at the Forty-Sixth Session of the Executive Council**  
**19 November 2014**

- Mr. Chairperson,
- I never wished to take the floor again.
- I just would like to reject the claims by the representative of the Assad regime.
- I believe time of the Council is precious.
- As we have mentioned before, this is a pathetic and desperate attempt to distract the work of the Council.
- The regime should channel its energy to complete the destruction of the chemical weapons in Syria.
- I would like to request that this statement be circulated as an official document of this session of the Executive Council and be posted on the website and the external server.
- Thank you.
