OPCW CALENDAR FOR THE YEAR 2000

1. The attached OPCW Calendar for the year 2000 updates and supersedes the provisional calendar for the same period, previously issued as S/192/2000, dated 29 May 2000. The OPCW Calendar reflects events organised or sponsored by the OPCW during the year 2000, and is updated on a bimonthly basis, or as required. The calendar, which is also available on the OPCW website (URL: <http://www.opcw.org>), lists the sessions or meetings of the OPCW's policy-making organs and subsidiary bodies, as well as events organised by the OPCW and events co-organised by the OPCW and Member States, unless these are strictly bilateral. The calendar does not include informal consultations or consultations by facilitators working within the framework of the Executive Council's working groups - the dates of such consultations are reported in the OPCW Journal.
2. Inquiries relating to sessions or meetings of the policy-making organs or concerning the calendar should be directed to the Secretariat for the Policy-Making Organs. Inquiries relating to regional seminars should be directed to the External Relations Division, while those relating to National Authority training courses, implementation workshops and activities in the area of assistance and protection should be directed to the International Cooperation and Assistance Division.
