**NOTE BY THE TECHNICAL SECRETARIAT**

**CALL FOR NOMINATIONS FOR THE THIRD REGIONAL MEETING  
OF NATIONAL AUTHORITIES OF STATES PARTIES IN AFRICA  
ABUJA, NIGERIA  
20 AND 21 OCTOBER 2005**

1. On behalf of the Government of Nigeria and the Organisation for the Prohibition of Chemical Weapons (OPCW), the Director-General wishes to invite States Parties to nominate representatives of National Authorities to attend the third meeting of National Authorities of States Parties in Africa, which will be held in Abuja, Nigeria, on 20 and 21 October 2005. The meeting is designed as a forum for personnel from National Authorities who are involved with issues relating to the national implementation of the Chemical Weapons Convention (hereinafter “the Convention”). Nominees should actually be involved in implementing the Convention at the national level.
2. The aim of this meeting is to create a platform for the collective promotion of the goals of the Convention—an aim expressed by the first regional meeting of National Authorities from Asia, which was held in Singapore in 2003. The meeting will follow the tradition established by similar cooperative efforts in Latin America and the Caribbean, Asia, and Eastern Europe. It is intended to provide a framework within which representatives of National Authorities can review and discuss issues and experiences related to the practical implementation of the Convention under the following thematic clusters:
  - (a) the status of implementation of the Convention and efforts to achieve its universality in Africa;
  - (b) progress made by States Parties in Africa in implementing their obligations under Article VII of the Convention;
  - (c) the identification of common problems in implementing Article VII obligations, and help in resolving these through cooperation between States Parties and the Technical Secretariat (hereinafter “the Secretariat”);

- (d) opportunities for States Parties that are making progress on the action plan regarding the implementation of Article VII obligations to further discuss what assistance they need, with both the Secretariat and other States Parties that have offered it;
  - (e) declaration requirements under the Convention, the implementation of provisions relating to the import and export of permitted chemicals, and the training of customs officials in this connection;
  - (f) improvements in the quality of declarations, including through the identification and declaration of relevant chemicals;
  - (g) legislation covering declarations and inspections; and
  - (h) the OPCW's implementation-support programmes.
3. At a practical level, the meeting is also intended to facilitate the exchange of information among representatives of the African and other interested National Authorities, and to foster productive working relationships amongst them. These relationships will lead to the creation of a regional network that will support the continued implementation of the Convention, particularly in areas where collective action may be required, such as the development of effective national implementing legislation, the implementation of the import and export provisions of the Convention, and improvements in the quality of declarations. All participants will be expected to contribute to panel discussions on each of the following topics:
- (a) progress States Parties have made in fulfilling their Article VII obligations;
  - (b) the role of National Authorities in implementing the Convention;
  - (c) the training National Authorities give to customs personnel; and
  - (d) improvements in the quality of declarations to be made to the OPCW.
4. The meeting will also seek to identify regional priorities and requirements for cooperative-implementation mechanisms in Africa, as well as common areas where support for national implementation may be required in the context of the plan of action regarding the implementation of Article VII obligations. Finally, the meeting will provide an opportunity for consultations between representatives of National Authorities and Secretariat officials on implementation issues.
5. The provisional programme for the meeting is included as Annex 1 to this Note.
6. The Secretariat expects to be able to sponsor the attendance at the meeting of a limited number of participants. Each nomination should specify whether sponsorship is a condition of the nominee's participation. For sponsored participants, the Secretariat will cover the costs of travel, meals, and medical insurance, and will provide a limited subsistence allowance to cover sundry expenses. The Secretariat will also arrange and pay for accommodation for sponsored participants. Sponsored participants who do not intend to use the accommodation arranged by the Secretariat

are requested to indicate that as soon as possible, so that it does not incur hotel cancellation fees. In any case the Secretariat will not cover the costs of any accommodation it has not arranged.

7. When making travel arrangements for sponsored participants, the Secretariat will seek the most-economical options. It will purchase tickets and send them to participants. Participants will be allowed to purchase tickets locally only if this leads to further savings for the Secretariat and if the Secretariat authorises it. In order for the Secretariat to keep costs to a minimum, participants are expected to **arrive no earlier than 19 October 2005** and to **depart no later than 22 October 2005**. Any changes to the arrival and departure dates of sponsored participants must be approved by the Secretariat. The Secretariat will not cover expenses unrelated to the meeting or that result from changes it has not authorised. Sponsored participants shall bear all costs resulting from changes they make, including cancellations, once the Secretariat has purchased their tickets.
8. Participants who have not been sponsored are requested to make their own travel and accommodation arrangements, although the Secretariat can, if necessary, arrange accommodation at reduced rates.
9. Participants are requested to obtain any necessary visas (including transit visas) before travelling to Nigeria.
10. All activities during the meeting will be conducted in English and French. All nominees are therefore expected to have a good command, written and oral, of one of these languages.
11. Interested National Authorities are invited to complete the nomination form included as Annex 2 to this Note, making sure in particular to provide all the contact details it requests. Completed forms should be addressed to the Director, International Cooperation and Assistance Division, OPCW, Johan de Wittlaan 32, 2517 JR The Hague, the Netherlands. Nominations may also be submitted by fax to +31 (0)70 306 3535, or by e-mail to [ipb@opcw.org](mailto:ipb@opcw.org). All nominations must be received by the Secretariat **no later than 19 August 2005**. Please be advised that participants must present an OPCW acceptance letter in order to register at the meeting.
12. Additional information about the meeting may be obtained from the Implementation Support Branch, International Cooperation and Assistance Division, which can be contacted as specified in paragraph 11 above. The contact persons are Mr V. B. Dhavle, who can be reached at +31 (0)70 416 3823, and Ms Emilia Autio, who can be reached at +31 (0)70 416 3709.
