NOTE BY THE TECHNICAL SECRETARIAT

**CALL FOR NOMINATIONS
FOR A COURSE ON ASSISTANCE AND PROTECTION
AGAINST CHEMICAL WEAPONS
KUOPIO, FINLAND
21 – 25 AUGUST 2006**

1. On behalf of the Government of Finland and the Organisation for the Prohibition of Chemical Weapons (OPCW), the Director-General wishes to invite Member States to nominate participants for a training course on assistance and protection against chemical weapons, to be held at the Emergency Services College, Kuopio, Finland, from 21 to 25 August 2006.
2. The course will be jointly organised by the Government of Finland and the Technical Secretariat (hereinafter “the Secretariat”). It will provide training to up to 20 participants in planning for and building a support team in civilian protection and rescue operations in contaminated areas, as well as in appropriate responses, including countermeasures, in the event of incidents involving chemical-warfare agents.
3. The course will offer a basic introduction to the use of individual protective equipment, and to monitoring, detection, and decontamination. It will also facilitate the exchange of information and experiences regarding the implementation of Article X of the Chemical Weapons Convention, and will provide a forum for the discussion of future cooperation among States Parties and of what further offers they might make to the OPCW under Article X. The course will conclude with a practical emergency-response exercise.
4. Given the purpose of the course and its technical nature, candidates will be carefully selected, and should have a background in the chemistry associated with assistance and protection against chemical agents. Preference will also be given to officers from emergency-response units involved in civilian protection. In addition, participants should be physically fit and be able to wear individual protective gear for several hours at a time during the practical sessions of the course. Some practical experience with protective equipment is desirable.

5. The Secretariat expects to be able to sponsor a limited number of participants. When proposing candidates for the course, Member States should specify whether such sponsorship is a condition of their participation. For sponsored participants, the Secretariat will cover the cost of travel and medical insurance, and will provide a limited subsistence allowance to cover sundry expenses. Accommodation, breakfast, and lunch during the course will be arranged by the Government of Finland for sponsored participants, and will be paid for by the Secretariat. Participants who are not sponsored are also expected to avail themselves of this accommodation, and to inform the Secretariat accordingly.
6. During the course, the Government of Finland will provide all participants with dinner, local transport in Kuopio, and course materials, all at no cost to the participants or the OPCW. Further details regarding accommodation, the course venue, and transport will be issued to participants in due course.
7. When making travel arrangements for sponsored participants, the Secretariat will seek the most-economical options. Sponsored participants will be allowed to purchase tickets locally only if this leads to further savings for the Secretariat and if the Secretariat authorises it in advance. Participants are expected to arrive **no earlier than Sunday, 20 August 2006**, and to depart **no later than Saturday, 26 August 2006**. The Secretariat's approval is required for any changes to the arrival and departure dates of sponsored participants. The Secretariat will not cover expenses unrelated to the course or that result from unauthorised changes to travel arrangements. Sponsored participants shall bear all costs resulting from changes they make, including cancellations, once the Secretariat has purchased their tickets. Participants who have not been sponsored are requested to make their own travel arrangements.
8. The course will be conducted in English, and no interpretation services of any kind will be provided. Participants are therefore expected to have a good written and oral command of English.
9. Participants are requested to obtain all necessary visas, including transit visas, before travelling to Finland.
10. Interested applicants are invited to complete the nomination form that is included as Annex 2 to this Note, making sure in particular to provide all the contact details it requests. Completed nomination forms should be sent, along with a brief curriculum vitae, to the Director, International Cooperation and Assistance Division, OPCW, Johan de Wittlaan 32, 2517 JR The Hague, the Netherlands. Nominations may also be submitted by fax to +31 (0)70 416 3209, or by e-mail to EmergAssistBr@opcw.org. All materials must be received by the Secretariat **no later than 30 June 2006**. Selected participants will be contacted no later than two weeks after the submission deadline.
11. A provisional programme for the course is included as Annex 1 to this Note. Further details about arrangements will be issued as soon as the Secretariat receives confirmation from the participants that they will be attending the course. Any questions may be addressed to the Assistance and Protection Branch, International

Cooperation and Assistance Division. The contact persons are Mr Gennadi Lutay, whose telephone number is +31 (0)70 416 3555, and Mr Muhammad Kazi, whose number is +31 (0)70 416 3775. Questions may also be sent by fax to +31 (0)70 416 3209, or by e-mail to EmergAssistBr@opcw.org.
