NOTA DEL DIRECTOR GENERAL

LISTA DE LOS TEXTOS LEGISLATIVOS PRESENTADOS POR LOS RESPECTIVOS ESTADOS PARTES EN VIRTUD DEL PÁRRAFO 5 DEL ARTÍCULO VII DE LA CONVENCIÓN SOBRE LAS ARMAS QUÍMICAS

1. El párrafo 5 del artículo VII de la Convención sobre las Armas Químicas (en adelante, la “Convención”) establece que cada Estado Parte informará a la OPAQ de las medidas legislativas y administrativas que haya adoptado para aplicar la Convención.
2. En el primer periodo extraordinario de sesiones de la Conferencia de los Estados Partes para el examen del funcionamiento de la Convención sobre las Armas Químicas, que tuvo lugar en 2003, la Conferencia de los Estados Partes (en adelante, la “Conferencia”) hizo un llamamiento a los Estados Partes para que facilitasen a la OPAQ el texto completo de su legislación nacional de aplicación, incluidas las actualizaciones, o, en el caso de aquellos Estados Partes que tienen un ordenamiento jurídico monista, la información relativa a las medidas concretas que hubieran adoptado para aplicar la Convención (apartado c) del párrafo 7.83 del documento RC-1/5, de fecha 9 de mayo de 2003). En su octavo periodo de sesiones, la Conferencia adoptó el Plan de acción relativo al cumplimiento de las obligaciones previstas en el artículo VII, en el que convino en que era imperativo que los Estados Partes que aún no hubieran procedido a ello, tomasen esta iniciativa (apartado c) del párrafo 14 del documento C-8/DEC.16, de fecha 24 de octubre de 2003).
3. En el anexo a la presente nota figura la lista de los textos legislativos de aplicación nacional que los respectivos Estados Partes han presentado a la OPAQ.
4. Los textos recibidos en formato electrónico se han incluido también en la base de datos sobre legislación, disponible en la página de la OPAQ en Internet (www.opcw.org)¹. La base de datos sobre legislación constituye un recurso importante para los redactores jurídicos que participan en la elaboración de la legislación nacional de aplicación. Esta base de datos tiene tres ventajas principales:
 - a) facilita el acceso rápido a una cantidad cada vez mayor de ejemplos sobre legislación.

¹ Para entrar en la base de datos, selecciónese en el menú de la izquierda de la página principal *Legal Affairs > National Implementing Legislation* y, en la parte superior de la página sobre legislación de aplicación, accédase al vínculo *Legislation Database*.

- b) disminuye el número de solicitudes que los Estados Partes han de presentar a la Secretaría Técnica para que ésta copie y remita ejemplos de legislación de aplicación.
 - c) ahorra, por tanto, tiempo al personal y reduce costos.
5. Se anima a los Estados Partes que deseen contribuir a la base de datos a que envíen a la Oficina del Asesor Jurídico, a la dirección electrónica legal@opcw.org, el texto electrónico de su legislación.
