NOTE BY THE TECHNICAL SECRETARIAT

CALL FOR NOMINATIONS
FOR A SUBREGIONAL TRAINING COURSE FOR CUSTOMS OFFICIALS
FROM CENTRAL AND WEST AFRICAN STATES PARTIES
ON TECHNICAL ASPECTS OF THE TRANSFERS REGIME
OUAGADOUGOU, BURKINA FASO
14 – 17 DECEMBER 2009

1. On behalf of the Organisation for the Prohibition of Chemical Weapons (OPCW) and the Government of Burkina Faso, the Director-General wishes to invite National Authorities from States Parties in Central and West Africa to nominate participants for a training course for customs authorities on technical aspects of the transfers regime of the Chemical Weapons Convention (hereinafter “the Convention”). The training course, which will be held at the World Customs Organization Regional Centre for West and Central Africa in Ouagadougou, Burkina Faso, from 14 to 17 December 2009, is intended for customs officials who are involved in implementing this regime. The training course will focus on imparting comprehensive knowledge about the Convention, including the provisions of the transfers regime, in order to improve the ability of participating States Parties to track transfers of chemicals listed in the Convention’s schedules of chemicals.

2. How customs authorities handle scheduled chemicals has a practical impact on the implementation of the transfers regime of the Convention, and can play a key role in diminishing and eventually eliminating discrepancies between the quantities of scheduled chemicals declared by importing and exporting States Parties in respect of the same transfers. This training course will provide participating States Parties with information on the following topics:

(a) an overview of the Convention and of the OPCW;
(b) the rights and obligations of States Parties to the Convention;
(c) the role of the National Authorities and their effective interaction with stakeholders in the Convention;
(d) identification of chemicals relevant to the Convention, including the Harmonized System; current recommendations of the World Customs
Organization (WCO), especially in regard to scheduled chemicals; and potential changes to that system;

(e) sources of information for customs officials and customs laboratories, including the following: the OPCW’s Handbook on Chemicals, the online scheduled chemicals database, the OPCW Central Analytical Database (OCAD), and other useful websites; and

(f) customs-related matters, such as discrepancies in the reporting of transfers of scheduled chemicals, free ports and free zones, risk assessments, transhipments, and software used by customs services.

3. Given that the key aim of the course will be for customs officials to share experiences and best practices and in order to ensure the maximum dissemination amongst the participants of the information provided, each Member State is encouraged to nominate two participants for this training course: one from a relevant operational department within the State Party’s respective customs authority that deals with controlling scheduled chemicals and one participant from its national customs-training programme/centre, both of whom should be able to share the information that is disseminated during the training programmes that are currently conducted at the national level for customs officers.

4. Participants attending the training course are encouraged to make presentations on the various topics on which the course will focus and are expected to participate actively in discussions. The provisional programme for the training course is included as Annex 1 to this Note.

5. The Technical Secretariat (hereinafter “the Secretariat”) expects to be able to sponsor the participation of up to two representatives from the customs authorities of each participating State Party from the two subregions. Each nomination should specify whether sponsorship is a condition of the nominee’s participation. For sponsored participants, the Secretariat will cover the costs of travel, meals, and medical insurance, and will provide a limited subsistence allowance to cover sundry expenses. The Secretariat will also arrange and pay for accommodation for sponsored participants. Sponsored participants who do not intend to use the accommodation arranged by the Secretariat are requested to indicate that as soon as possible, so that the Secretariat does not incur hotel cancellation fees. In any case, the Secretariat will not cover the costs of any accommodation it has not arranged.

6. When making travel arrangements for sponsored participants, the Secretariat will seek the most economical options. It will purchase tickets and send them to participants. Participants will be allowed to purchase tickets locally only if this leads to further savings for the Secretariat and if the Secretariat authorises it. In order for the Secretariat to keep costs to a minimum, participants are expected to arrive no earlier than Sunday, 13 December 2009, and to depart no later than Friday, 18 December 2009. The Secretariat’s agreement is required for any changes to the arrival and departure dates. The Secretariat will not cover expenses unrelated to the training course or that result from unauthorised changes in travel arrangements. Sponsored participants shall bear all costs resulting from changes they make, including cancellations, once the Secretariat has purchased tickets. Participants who
have not been sponsored are requested to make their own travel and accommodation arrangements, although the Secretariat can, if necessary, arrange accommodation at reduced rates.

7. Participants are requested to obtain any necessary visas (including transit visas) before travelling to Burkina Faso. When applying for any required visas, they should present the Embassy or Consulate of Burkina Faso with a copy of the acceptance letter from the OPCW.

8. The training course will be conducted in English, and interpretation services into French will be provided. All participants are therefore expected to have a good written and oral command of one of these two languages.

9. Interested National Authorities are invited to complete the nomination form that is included as Annex 2 to this Note, making sure in particular to provide all the contact details it requests. Completed forms should be addressed to the Director, International Cooperation and Assistance Division, OPCW, Johan de Wittlaan 32, 2517 JR The Hague, the Netherlands. Nominations may also be submitted by fax to: +31 (0)70 306 3535, or by e-mail to ipb@opcw.org. All nominations must be received by the Secretariat no later than Monday, 16 November 2009, and National Authorities are kindly requested to note that the Secretariat will not accept any nominations that are submitted after that date. Please be advised that participants must present an OPCW acceptance letter in order to register for the training course.

10. Additional information about the training course may be obtained from the Implementation Support Branch, International Cooperation and Assistance Division. The contact persons are Mr Bernard Amoh, who can be reached at +31 (0)70 416 3376, and Mr Maharage Ananda Perera at +31 (0)70 416 3818.
