NOTE BY THE TECHNICAL SECRETARIAT

**CALL FOR NOMINATIONS
FOR A TRAINING COURSE FOR CUSTOMS AUTHORITIES
OF STATES PARTIES IN LATIN AMERICA AND THE CARIBBEAN
ON TECHNICAL ASPECTS OF THE TRANSFERS REGIME
SALVADOR DE BAHIA, BRAZIL
26 – 28 OCTOBER 2010**

1. On behalf of the Organisation for the Prohibition of Chemical Weapons (OPCW) and the Government of Brazil, the Director-General wishes to invite National Authorities from States Parties in Latin America and the Caribbean to nominate participants for a training course for customs authorities on the technical aspects of the transfers regime of the Chemical Weapons Convention (hereinafter “the Convention”). The training course, which will be held in Salvador de Bahia, Brazil, from 26 to 28 October 2010, is intended for customs officials who are involved in implementing this regime. The training course will focus on imparting comprehensive knowledge about the Convention, including the provisions of the transfers regime, in order to improve the ability of participating States Parties to track transfers of chemicals listed in the schedules of chemicals.

2. How customs authorities handle scheduled chemicals has a practical impact on the implementation of the transfers regime of the Convention, and can play a key role in diminishing and eventually eliminating discrepancies between the quantities of scheduled chemicals declared by importing and exporting States Parties in respect of the same transfers. This training course will provide participating States Parties with information on the following topics:
 - (a) an overview of the Convention and of the OPCW;
 - (b) the rights and obligations of States Parties to the Convention;
 - (c) the role of the National Authority and its effective interaction with stakeholders;
 - (d) the identification of chemicals relevant to the Convention, including the Harmonized System (HS), current recommendations of the World Customs

Organization (WCO), and potential changes to that system and those recommendations as they concern scheduled chemicals;

- (e) sources of information for customs officials and customs laboratories, including:
 - (i) the Handbook on Chemicals, the Online Scheduled Chemicals Database, and the OPCW Central Analytical Database (OCAD); and
 - (ii) useful websites; and
 - (f) customs-related matters, such as discrepancies in the reporting of transfers of scheduled chemicals, free ports and free zones, risk assessments, transshipments, and software for customs services.
3. Given that the key aim of the course will be to share best practices amongst customs services, States Parties are encouraged to nominate one participant from a relevant operational department within their respective customs authority that deals with the control of chemicals.
 4. Participants attending the training course are encouraged to make presentations on the various topics on which the course will focus, and are expected to participate actively in discussions. The provisional programme for the training course is attached as Annex 1 to this Note.
 5. Course activities will be conducted in English, and interpretation services into Spanish will be provided. Participants are therefore expected to have a good command, both written and oral, of one of these two languages.
 6. The Secretariat expects to be able to sponsor the participation of one participant from each State Party provided they meet the criteria as elaborated in paragraph 3 above. Each nomination should specify whether sponsorship is a condition of the nominee's participation. For sponsored participants, the Secretariat will cover the costs of travel, meals, and medical insurance, and will provide a limited subsistence allowance to cover sundry expenses. The Secretariat will also arrange and pay for accommodation for sponsored participants. Sponsored participants who do not intend to use the accommodation arranged by the Secretariat are requested to indicate that as soon as possible, so that the Secretariat does not incur hotel cancellation fees. In any case, the Secretariat will not cover the costs of any accommodation it has not arranged.
 7. When making travel arrangements for sponsored participants, the Secretariat will seek the most economical options. It will purchase tickets and send them to participants. Participants will be allowed to purchase tickets locally only if this leads to further savings for the Secretariat and if the Secretariat authorises it. In order for the Secretariat to keep costs to a minimum, participants are expected to arrive **no earlier than Monday, 25 October 2010**, and to depart **no later than Friday, 29 October 2010**. The Secretariat's agreement is required for any changes to the arrival and departure dates. The Secretariat will not cover expenses unrelated to the training course or that result from changes in the travel arrangements it has not authorised. Sponsored participants shall bear all costs resulting from changes they

make, including cancellations, once the Secretariat has purchased tickets. Participants who have not been sponsored are requested to make their own travel and accommodation arrangements, although the Secretariat can, if necessary, arrange accommodation at reduced rates.

8. Participants are requested to obtain any necessary visas (including transit visas) before travelling to Brazil. When applying for any entry visa required, they should present the Brazilian Embassy or Consulate with a copy of the acceptance letter from the OPCW.
9. Interested National Authorities are invited to complete the nomination form that is attached as Annex 2 to this Note, ensuring in particular to provide all the contact details it requests. Completed forms should be addressed to the Director, International Cooperation and Assistance Division, OPCW, Johan de Wittlaan 32, 2517 JR The Hague, the Netherlands. Nominations may also be submitted by fax to +31 (0)70 306 3535, or by e-mail to ipb@opcw.org. All nominations must be received by the Secretariat **no later than Friday, 24 September 2010**. Please be advised that participants must present an OPCW acceptance letter in order to register for the training course. National Authorities are kindly requested to note that the Secretariat will not accept any nominations after the final date for receipt of nominations.
10. Additional information about the training course may be obtained from the Implementation Support Branch, International Cooperation and Assistance Division. The contact person is Ms Floriane Leblond, who can be reached at +31 (0)70 416 3224.
