**NOTE BY THE DIRECTOR-GENERAL**

**CALL FOR NOMINATIONS FOR THE SWISS BASIC COURSE V  
SPIEZ, SWITZERLAND  
25 – 29 JUNE 2012**

1. On behalf of the Government of Switzerland and the Organisation for the Prohibition of Chemical Weapons (OPCW), the Director-General wishes to invite States Parties to nominate participants for a training course on protection against chemical weapons, which will be held at the NBC<sup>1</sup> Training Centre in Spiez, Switzerland, from 25 to 29 June 2012.
2. The course is related to the offer made by Switzerland, under Article X of the Chemical Weapons Convention (hereinafter “the Convention”), to provide assistance and protection against chemical weapons, and will be jointly organised by the Government of Switzerland and the Technical Secretariat (hereinafter “the Secretariat”). Up to 30 instructors will receive basic training in protection against chemical weapons and in detection. The course will also provide a basic introduction to chemical-warfare agents, and explain the basics of individual protective measures, and of detection and decontamination equipment.
3. The course, which draws on Switzerland’s extensive experience in this area, is intended for specialists who are, or will be, associated with the training of civilians in their home countries in protection against chemical weapons. Its main purpose is to help States Parties establish a basic capability in this area that will directly benefit their civilian populations. Applicants from States Parties that do not yet have such a capability will be particularly welcome. Participation in this course will be mandatory when applying for other courses organised in Switzerland (for example, the Swiss Laboratory Course or the Swiss Advanced Course).
4. Given the purpose of the course and its technical nature, candidates will be carefully selected and should have a solid technical background in the chemistry associated with assistance and protection against chemical agents. They should also be physically fit and be able to wear individual protective equipment for several hours at a time during the practical sessions of the course. Some practical experience in military or civil protection against chemical weapons is desirable, although not necessary.
5. The Secretariat expects to be able to sponsor a limited number of participants from States Parties. Each nomination should specify whether sponsorship is a condition of the nominee’s participation. For sponsored participants, the Secretariat will cover the costs of travel and medical insurance, and will provide a limited subsistence

allowance to cover sundry expenses. The course materials, accommodation, and all meals during the course will be provided by the Government of Switzerland to all participants at no cost to them or to the OPCW. Further details regarding accommodation, the course venue, and transport will be provided at a later date.

6. When making travel arrangements for sponsored participants, the Secretariat will seek the most economical options. Sponsored participants will be allowed to purchase tickets locally only if doing so leads to further savings for the Secretariat and if the Secretariat authorises it. Participants are expected to arrive **no earlier than Sunday, 24 June 2012**, and to depart **no later than Saturday, 30 June 2012**. The approval of the Secretariat is required for any changes to the dates on which sponsored participants arrive and depart. The Secretariat will not cover expenses unrelated to the course or that result from unauthorised changes to travel arrangements. Sponsored participants shall bear all costs resulting from changes they make, including cancellations, once the Secretariat has purchased their tickets. Participants who have not been sponsored are requested to make their own travel arrangements.
7. The course will be conducted in English, and no interpretation services of any kind will be provided. Participants are therefore expected to have a good command of the English language, both written and oral.
8. Participants are requested to obtain any necessary visas, including transit visas, before travelling to Switzerland.
9. Interested applicants are invited to complete the nomination form that is included as Annex 2 to this Note, making sure in particular to provide all contact details that it requests. Completed forms should be sent, along with a brief curriculum vitae, to the Director, International Cooperation and Assistance Division, OPCW, Johan de Wittlaan 32, 2517 JR The Hague, the Netherlands. Nominations may also be submitted by fax to +31 (0)70 416 3209, or by e-mail to [EmergAssistBr@opcw.org](mailto:EmergAssistBr@opcw.org). In addition, a copy should be faxed to Mr Matthias Halter, Acting Head of Arms Control and Disarmament Policy, Armed Forces Staff, Federal Department of Defence, Civil Protection and Sports, CH-3003 Berne, Switzerland, at +41 31 325 3040 or e-mailed to [matthias.halter@vtg.admin.ch](mailto:matthias.halter@vtg.admin.ch). All materials must be received **no later than 13 April 2012**.
10. Those who have been selected to participate will be contacted no later than two weeks after the submission deadline. States Parties are requested to inform the International Cooperation and Assistance Division of any administrative or other problems that may arise in connection with the attendance of any participant.
11. Additional information may be obtained from the Assistance and Protection Branch, International Cooperation and Assistance Division, from either Ms Megan Thomas (Project Officer) or Ms Maria-Elena Bruno-Pousadela (Project Clerk):
