NOTE BY THE DIRECTOR-GENERAL

**CALL FOR NOMINATIONS FOR THE NINTH REGIONAL
ASSISTANCE-AND-PROTECTION COURSE FOR ASIAN STATES PARTIES
SEOUL, REPUBLIC OF KOREA
27 – 31 MAY 2013**

1. On behalf of the Government of the Republic of Korea and the Organisation for the Prohibition of Chemical Weapons (OPCW), the Director-General wishes to invite States Parties in Asia to nominate representatives to participate in the Ninth Regional Assistance-and-Protection Course for Asian States Parties, which will take place from 27 to 31 May 2013 in Seoul, the Republic of Korea.
2. The course, which will be jointly organised by the Government of the Republic of Korea and the Technical Secretariat (hereinafter “the Secretariat”), will provide training to up to 16 participants in planning for, and building a support team for, civil protection, civil defence, and decontamination operations in contaminated areas, as well as in appropriate responses and countermeasures in the event of incidents involving chemical-warfare agents and toxic industrial chemicals. The course will give an overview of what kind of assistance the OPCW, the host country, and the Member States in Asia can provide, and will assist participating States Parties in establishing a basic capability in protection from chemical weapons, which will directly benefit their civilian populations.
3. The course will also offer a basic introduction to the use of individual and collective protective equipment, and to monitoring, detection, and decontamination techniques. Participants completing the basic course will acquire a general knowledge of chemical-warfare agents, of individual protective equipment, and of detection and decontamination equipment, as well as an understanding of how all of the equipment is to be used. The course will also facilitate the exchange of information and experience regarding the implementation of Article X of the Chemical Weapons Convention (hereinafter “the Convention”), and will provide a forum for the discussion of future cooperation among participating Member States and of what further offers they might make to the OPCW under Article X. The course will conclude with a practical emergency-response exercise.
4. Given the purpose of the course and its technical nature, candidates will be carefully selected and should have experience in assistance and protection against chemical weapons. Preference will be given to officers from emergency-response units involved in civilian protection. In addition, participants should be physically fit and be able to

wear individual protective gear for several hours at a time during the practical sessions of the course. Some practical experience with protective equipment is desirable.

5. The Secretariat expects to be able to sponsor the participation of a limited number of participants. Each nomination should specify whether sponsorship is a condition of the nominee's participation. For sponsored participants, the Secretariat will cover the costs of travel and medical insurance, and will provide a limited subsistence allowance to cover sundry expenses. The course materials, accommodation, meals, and local transport during the course will be provided by the National Authority of the Republic of Korea, at no cost to the participants. Further details regarding accommodation, the course venue, and transport will be issued to all confirmed participants at a later date.
6. When making travel arrangements for sponsored participants, the Secretariat will seek the most economical options. Participants will be allowed to purchase tickets locally only if this leads to further savings for the Secretariat, and if the Secretariat authorises it. To keep costs to a minimum, sponsored participants are expected to arrive **no earlier than Sunday, 26 May 2013**, and to depart **no later than Saturday, 1 June 2013**. The Secretariat's approval is required for any changes to the arrival and departure dates of sponsored participants. The Secretariat will not cover expenses unrelated to the course or that result from unauthorised changes to travel arrangements. Sponsored participants shall bear all costs resulting from changes they make, including cancellations, once the Secretariat has purchased their tickets. Participants who have not been sponsored are requested to make their own travel arrangements and to inform the Secretariat accordingly.
7. All activities during the meeting will be conducted in English, and no interpretation services of any kind will be provided. Participants are therefore expected to have a good written and oral command of the English language.
8. Participants are requested to obtain all necessary visas (including transit visas) before travelling to the Republic of Korea.
9. Interested applicants are invited to complete the nomination form that is included as Annex 2 to this Note, making sure in particular to provide all contact details. Completed forms should be sent, along with a brief curriculum vitae, to the Director, International Cooperation and Assistance Division, OPCW, Johan de Wittlaan 32, 2517 JR The Hague, the Netherlands. Nominations may also be submitted by fax to +31 (0)70 416 3209 or by e-mail to EmergAssistBr@opcw.org. All materials must be received by the Secretariat **no later than 5 April 2013**. Please be advised that participants must present an OPCW acceptance letter in order to register for the course. Only selected participants will be contacted within two weeks of the submission deadline.
10. Additional information may be obtained from the Assistance and Protection Branch, International Cooperation and Assistance Division. The contact person is Mrs Ditta Ciganikova (tel.: +31 (0)70 416 3261; email: Ditta.Ciganikova@opcw.org).
