NOTE BY THE TECHNICAL SECRETARIAT

**INVITATION TO APPLY FOR AN INTERNSHIP FOR LEGAL DRAFTERS
AND NATIONAL AUTHORITY REPRESENTATIVES OF STATES PARTIES
TO THE CHEMICAL WEAPONS CONVENTION
OPCW HEADQUARTERS
THE HAGUE, THE NETHERLANDS**

1. The Technical Secretariat (hereinafter “the Secretariat”) is organising a series of three internships for legal drafters and National Authority representatives at the Organisation for the Prohibition of Chemical Weapons (OPCW) Headquarters in The Hague, the Netherlands. The internships are scheduled for May, September, and November 2013.
2. Upon entry into force, the Chemical Weapons Convention (hereinafter “the Convention”) creates definite obligations for each State Party, and all States Parties are expected to comply fully with these obligations. In addition to eliminating an entire category of weapons of mass destruction, the Convention also stipulates the purposes for which the use of toxic chemicals is not prohibited and creates a legal basis for enforcing the declaration and verification regimes to ensure that such chemicals are not misused as chemical weapons. One of the key requirements in this regard is the adoption of the necessary legislative measures to implement the provisions of the Convention. A State Party does so by adopting legislation prohibiting natural and legal persons from engaging in any activities prohibited under the Convention on its territory (subparagraph 1(a) of Article VII) and by also extending the penal provisions to its nationals residing beyond its national jurisdiction (subparagraph 1(c) of Article VII).
3. The Conference of the States Parties (hereinafter “the Conference”) at its Fourteenth Session adopted a decision on the national implementation of Article VII (C-14/DEC.12 dated 4 December 2009), and invited the Secretariat to issue two concurrent reports reflecting “all key legislative areas” which States Parties were to put in place to fully implement the Convention. In the same decision, the Conference encouraged the Secretariat to continue providing, upon request, technical assistance in a tailor-made and systematic manner to effectively address the needs of States Parties in regard to their practical national implementation issues and concerns. The Conference further encouraged States Parties, particularly those desiring assistance in fulfilling their Article VII obligations, to take advantage of available assistance, if considered appropriate.

4. The internship for legal drafters entails a one-week drafting session at the OPCW Headquarters for legal drafters and other relevant National Authority representatives, during which they are equipped with the technical capacity and requisite skills to enable them to complete a draft of national implementing legislation and also to pursue its adoption upon their return.
5. The objectives of the internship are to provide tailor-made assistance to States Parties that have not yet started developing the initial draft of their national implementing legislation, or those that have challenges in this regard. By the end of the internship, it is expected that participating States Parties would have draft legislation that is fully in line with the provisions of the Convention, meets the requirements of their respective national legislative bodies, and is suitable for submission to parliament. The internship also seeks to support States Parties that may already have such a framework in place but require support to draft administrative measures.
6. The selection criteria are attached as Annex 1 and the provisional programme as Annex 2 to this Note.
7. Each nomination should specify whether sponsorship is a condition for participation. The internship will be conducted in English, French, and Spanish. Participants are expected to have a basic command of English.
8. For sponsored participants, the Secretariat will cover the costs of travel, meals, and medical insurance, and offer a limited subsistence allowance to cover sundry expenses. The Secretariat will also arrange and pay for accommodation for sponsored participants. Participants who do not intend to use the accommodation arranged by the Secretariat are requested to indicate this as soon as possible, so that the Secretariat does not incur any hotel cancellation fees. The Secretariat will not cover the costs of any accommodation it has not arranged.
9. When making travel arrangements for sponsored participants, the Secretariat will seek the most economical options. The Secretariat will purchase tickets and send them to participants. Participants will be allowed to purchase tickets locally only if this leads to further savings for the Secretariat and if the Secretariat authorises it. In order for the Secretariat to keep costs to a minimum, sponsored participants are expected to arrive **no earlier than a day before the commencement of the internship** and to depart **no later than the day after it ends**.
10. The Secretariat's agreement is required for any changes to the arrival and departure dates of sponsored participants. The Secretariat will not cover expenses unrelated to the event or that result from changes in travel arrangements it has not authorised. Sponsored participants shall bear all costs resulting from changes they make, including cancellations, once the Secretariat has purchased tickets.
11. All nominations from States Parties must be formally endorsed by the National Authority. Participants are requested to obtain any necessary visas (including transit visas) before travelling to the Netherlands.
12. Interested States Parties are invited to complete the nomination form that is included as Annex 3 to this Note, making sure in particular to provide all the contact details it requests. Completed forms should be addressed to the Director,

International Cooperation and Assistance Division, OPCW, Johan de Wittlaan 32, 2517 JR The Hague, the Netherlands. Nominations may also be submitted by fax to +31 (0)70 416 3228, or by e-mail to ipb@opcw.org.

13. All nominations must be received by the Secretariat **no later than 19 April 2013**. Nominations received after this date will not be considered. Only candidates whose nominations have been successful will be contacted. Please be advised that participants must present an OPCW acceptance letter in order to register.
14. For additional information about the event please contact the Implementation Support Branch, International Cooperation and Assistance Division. The contact person is:
