

# Convergence of the Sciences

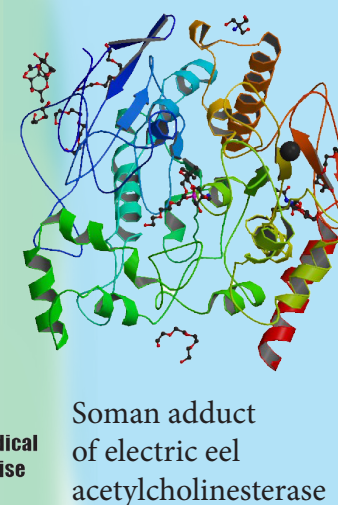

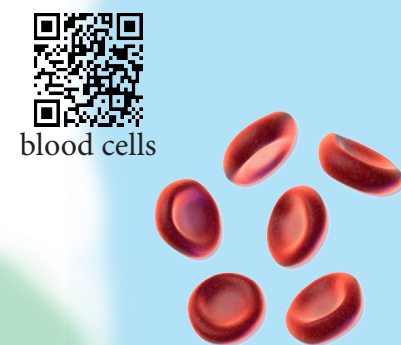

The Scientific  
Advisory Board on  
'Convergence'

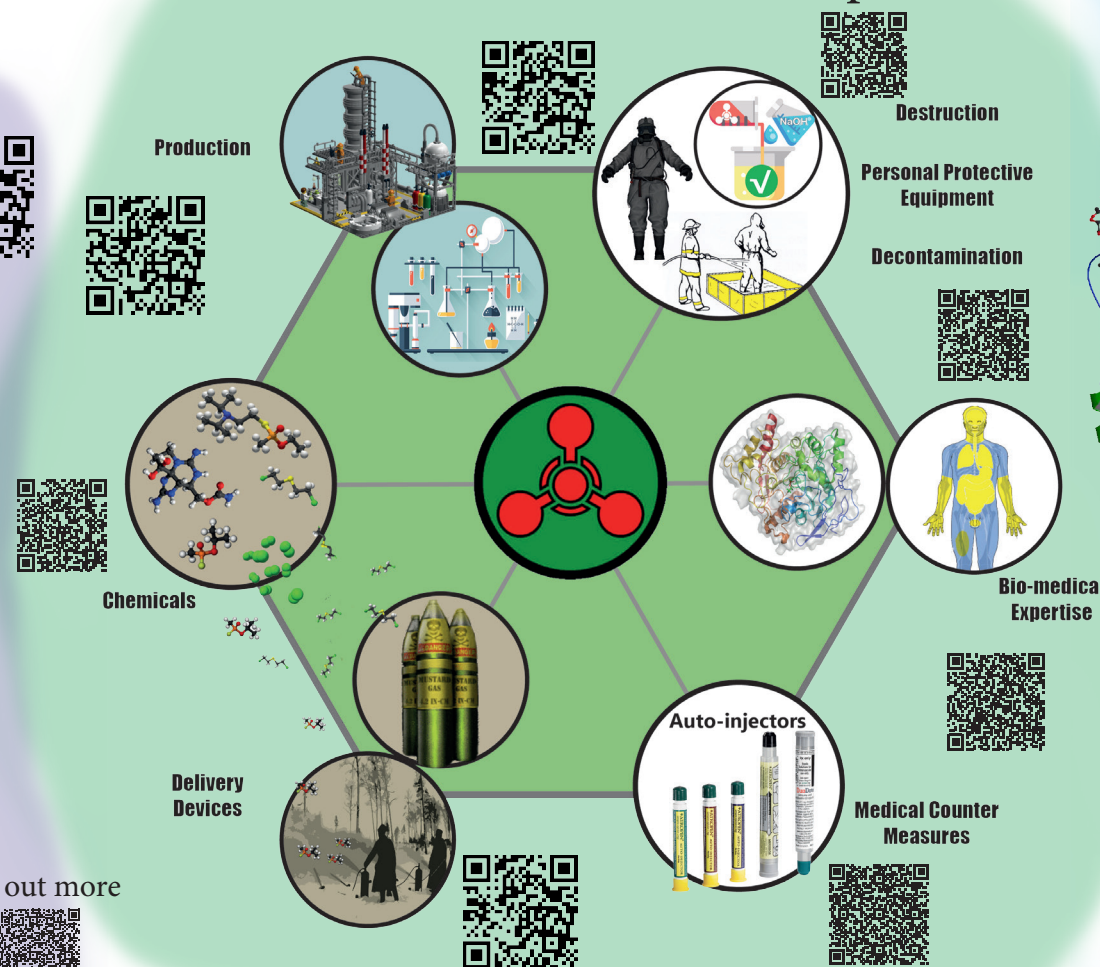

Chemical production

**Biomedical Sample Analysis**  
is this chemistry, or biology?

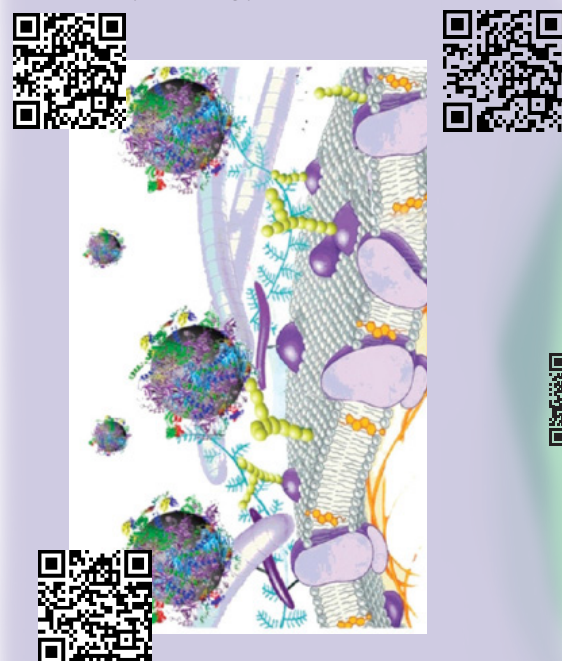

**The Science of Chemical Weapons?**

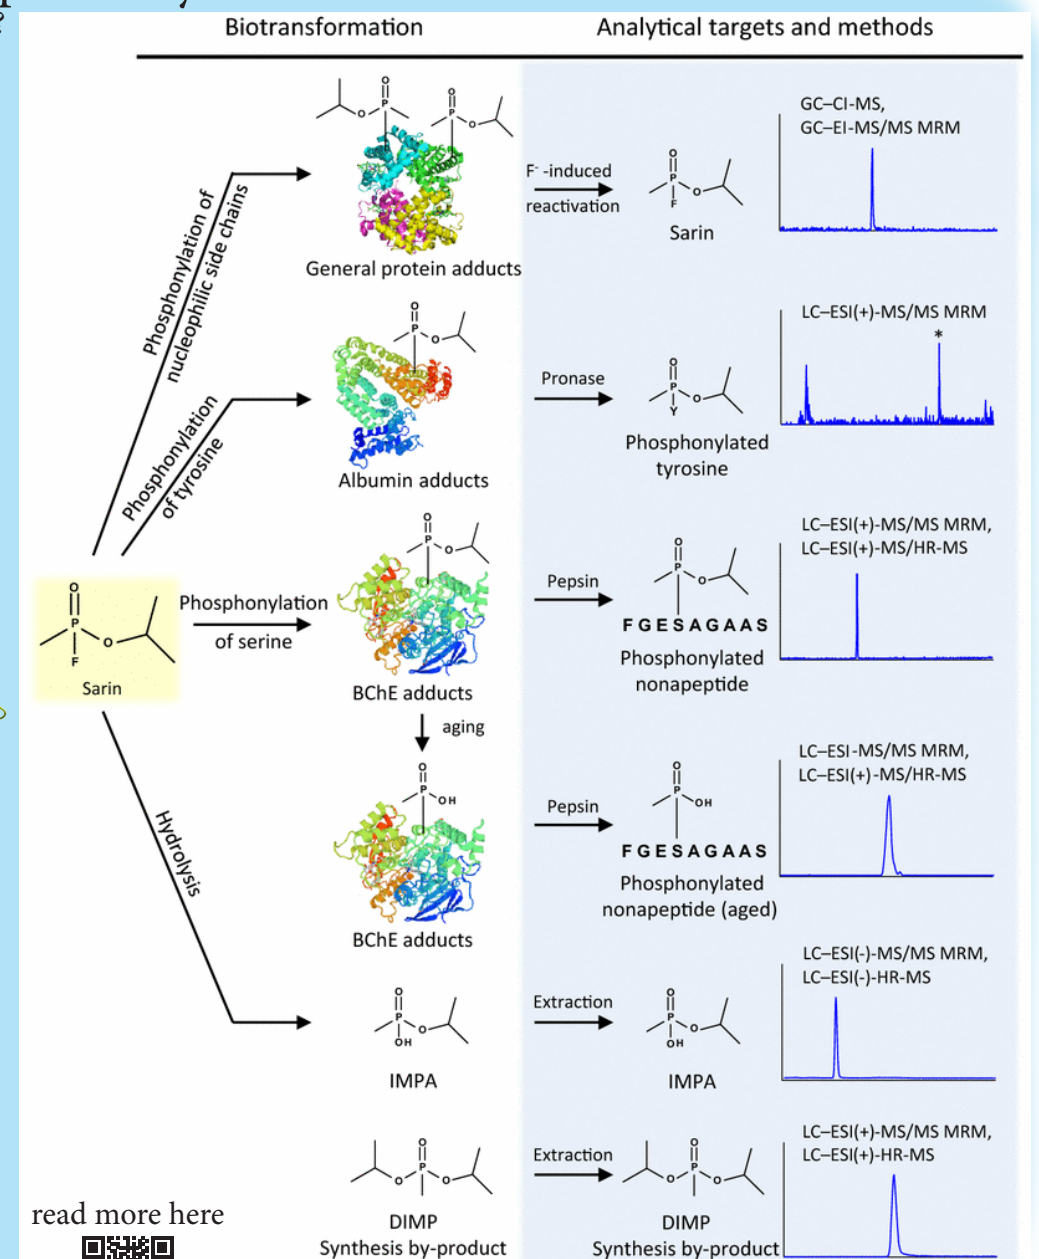

**Nanotechnology:**

Chemistry; Biology; Materials and more

S. Bucak, B.Yavuztürk, A. Demir Sezer (2012).  
Magnetic Nanoparticles: Synthesis, Surface  
Modifications and Application in Drug  
Delivery, Recent Advances in Novel Drug  
Carrier Systems, PhD. A. Demir Sezer (Ed.),  
InTech, DOI: 10.5772/52115
